

MASTER OF SCIENCE IN DIETETICS

Program Description

This 17 month non-thesis degree is an accredited, advanced degree dietetic internship program with a concentration in Community Research and Wellness designed for students who want to complete their ACEND accredited 1200 hour supervised practice experience concurrently with related graduate coursework. The M.S./DI program requires 36 graduate hours including 9 hours of internship practicum and 12 hours of electives. Graduates of this program become eligible to sit for the Registration Examination for Dietitians.

Students must pass a written comprehensive exam at the end of the program in order to obtain a M.S. degree. Students must be enrolled in the University during the semester or summer session in which the comprehensive exam is administered.

The SHSU M.S./DI program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics; 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606-6955, (312) 899-0040. <http://eatright.org/acend>

Admissions

Dietetic Internship application deadline is February 15:

1. Submission of the online centralized internship application (DICAS)
2. Register with D&D Digital for computer matching
3. SHSU DI Application Fee

Only students matched to the DI program will complete the M.S. in Dietetics application.

The following documents must be submitted to the Office of Graduate Admissions:
