The following hours must be completed “in residence” to meet degree requirements:

## Degree Plan

The specific degree requirements will be listed in the student’s degree plan. A degree plan outlines academic requirements for successful completion of a specific degree. Students are encouraged to use the Student Advising and Mentoring Center (SAM Center) for advice on degree plans. Students may view their degree plan via My Sam (<https://mysam.shsu.edu>) using DegreeWorks. (<https://degreeworks.shsu.edu/IRISLink.cgi?CAS=ENABLED&SERVICE=LOGON&SCRIPT=SD2WORKS&ticket=ST-175086-IDutGvCWti6OjJQGGPUB-login.shsu.edu>)

The university provides advisors to assist students with registration and with making appropriate progress toward completion of degree requirements and ultimately, graduation. However, the student bears sole responsibility for assuring that all degree requirements are fulfilled.

Students are placed under a degree and major based on the selection at the time of application to Sam Houston. A student has the option of meeting the academic requirements for any degree as outlined in the catalog at the time of admission or of meeting those listed in any later catalog provided the requirements are met not later than six years from the effective date of the selected catalog. The student is responsible for knowledge of the detailed requirements of the degree program selected to include any special requirements of the major and/or minor department. Students must speak to their advisor in order to make a change to their major and must have a minimum 2.0 SHSU GPA. Some academic departments may require approval of the change of major.
