

MINOR IN TECHNICAL AND PROFESSIONAL WRITING

Students who major in other fields of study may elect one of four minors in English. Each minor requires 18 hours of course work in English, as outlined below; the English minor with Standard Secondary Certification requires an additional 24 hours. In keeping with the intent of a minor to broaden students' knowledge, none of the courses taken toward any English minor (minor in English, minor in Creative Writing, minor in Technical Writing, or Minor in American Studies) may be used to satisfy the requirement of any other major, minor, or core curriculum course.
