## About the College

The College of Education is comprised of five academic units:

- Counselor Education
- Curriculum and Instruction
- Educational Leadership
- Language, Literacy and Special Populations
- Library Science

Teacher Certification is also under the administrative purview of the College of Education

## Mission

Through excellent instruction, research, and public service, the College of Education provides students with opportunities to develop knowledge, skills, strategies, and experiences which allow them to serve in diverse roles and function productively in society.
