

# MASTER OF SCIENCE IN HEALTH

**Faculty Advisor:** Daphne K. Fulton, Dr.P.H. (dsfulton@shsu.edu)

The Master of Science in Health is intended to enhance the health and improve the quality of life for individuals, families, and communities through the provision of service and research in the areas of health education and health promotion. The program incorporates the principles, practices, and development of a working philosophy of Health Education to prepare students for employment in four broad areas:

- community health
- medical or clinical health
- school health
- worksite health promotion

Applicants seeking admission to the graduate program in health must submit the following directly to the Office of Graduate Admissions:

1. A Graduate Studies Application (<http://www.shsu.edu/admissions/apply-texas.html>) with the application fee
2. Official transcript(s) from the baccalaureate degree granting institution
3. Bachelor's degree with a major or minor in Health Education or at least 18 hours of field related coursework
4. Overall GPA of 2.8 and major GPA 3.0
5. Two letters of recommendation
6. Statement of interest/intent
