**NOTE:**

A minor in a supporting business field or a foreign language is strongly recommended. A minor in most supporting business fields can be accomplished by using the available elective hours. Employment opportunities in International Business are likely to be enhanced with foreign language skills. Students who have high school credits in a foreign language or who have otherwise developed a foreign language proficiency are encouraged to participate in the College Level Examination Program (CLEP). Acceptable scores on the CLEP examinations will allow students to earn up to 14 hours of foreign language credits in French, German, or Spanish.
