DEGREE REQUIREMENTS & ACADEMIC GUIDELINES

• Graduate Degree Requirements (p. 1)
• Academic Expectations and Guidelines (p. 3)

Graduate programs are typically regarded as either research or professional oriented programs. Research programs have a major research component. At the master's level, the research component may be included in a series of courses, a research product, and/or a thesis. At the doctoral level, the research product is a dissertation. Professional programs at the master's level may include an internship and/or a practicum in lieu of a research product.

Graduate studies tend to be more focused, provide greater depth of study within the chosen field, foster independent learning, and promote knowledge of the literature. All of the graduate programs at Sam Houston State University require an assessment of knowledge retention toward the end of the academic program. The assessment may be incorporated as a comprehensive exam, in written and/or oral format, and/or a comprehensive capstone course.

Regardless of the type of program, the academic expectations placed on graduate students far exceed those experienced at the undergraduate level. To maintain academic good standing at Sam Houston State University, a graduate student must maintain an overall grade point average of at least 3.0 on all graduate coursework attempted. See Scholastic Expectations (http://graduate-catalog-2015-2016.shsu.edu/home/degree-requirements-and-academic-guidelines.html#expectations) for further details.

Notes:

1. Each student is responsible for contacting his/her graduate advisor for the specific program requirement deadlines. A student is required to complete master's level graduate work within a six-year period, measured from the date of initial enrollment for graduate credit in a particular degree program and within an eight-year period for doctoral level graduate work.
2. Students must be enrolled in at least one course (one credit hour or more) in both the semester of graduation and the semester in which the comprehensive requirements are met. Completing a course for which a grade of IP was given in a previous semester does not constitute enrollment.
3. Students are responsible for appropriate application to degree for diplomas and/or certificates.
Degree Plan
A degree plan details the curriculum for the specific academic program and is developed for each graduate student. All courses on the approved degree plan must be completed with a satisfactory grade to meet the requirements for the degree. Changes in an approved degree plan may be made by petition to the graduate advisor and approved by the appropriate academic dean.

A student is required to complete master's level graduate work within a six-year period, measured from the date of initial enrollment for graduate credit in a particular degree program and within an eight-year period for doctoral level graduate work. The period of time a student is on an approved leave of absence will be counted as time accumulated toward that six-year or eight-year deadline for completion of the degree. Any extension of the six-year or eight-year deadline must be approved in writing by the appropriate academic dean and the Dean of the Graduate School.

Comprehensive Examinations
Towards the end of degree plan completion, all graduate candidates must demonstrate knowledge retention by passing integrative comprehensive examinations or by other forms. The major department will establish whether comprehensive examinations are written, oral, or a combination of the two. In lieu of comprehensive exams, some programs have been granted permission to use a capstone course or portfolio submission.

The major department will organize a committee for the administration of exams. A grade of “high pass,” “pass,” or “fail” for each exam must be filed in the office of the appropriate academic dean. Should a student fail one or more examinations, a re-examination shall be permitted per departmental or college guidelines, as appropriate. A third examination may be permitted only with the approval of the appropriate academic dean and the department. Students should consult the major department for specific guidelines regarding comprehensive examinations. Students must be enrolled in the University the semester in which the comprehensive exams are administered.

Enrollment in Thesis or Dissertation Courses
(Refer to Academic Policy Statement 930129 (http://www.shsu.edu/dotAsset/c129276a-8ab2-44cf-922d-53d7a33a2f79.pdf))

A graduate student at Sam Houston State University writing a thesis or dissertation must enroll in the appropriate thesis or dissertation courses. Typically, a master's student is required to take at least six hours of thesis courses. Depending on the specific program, a doctoral student is required to take a minimum of either nine or twelve hours of dissertation courses. Once a student enrolls in a thesis or dissertation course, the student must continuously enroll in such a course every fall and spring semester until the signed thesis/dissertation route sheet is received by the Registrar’s Office. Students must be enrolled in at least one course (one credit hour or more) in the semester of graduation. Completing a course for which a grade of IP was given in a previous semester does not constitute enrollment.

A student who is unable to work on the thesis or dissertation for a period of time may present to the appropriate academic dean a written request for a leave of absence of up to one year. The dean's approval of such a request must be in writing. A student granted a leave of absence may not be enrolled in any coursework during this period. A student on a leave of absence will lose access to University services. Students returning from leave of absence should contact program advisors immediately to seek guidance for enrollment procedures.

Master's Thesis/Doctoral Dissertation
Thesis/Dissertation Committee
A thesis or dissertation committee will be formed prior to enrollment in the first thesis/dissertation course. The committee must be composed of a chair and at least two additional members, all of whom have appropriate graduate faculty status. With the approval of the department chair, academic dean, and Dean of The Graduate School the committee may include one member who is not employed by SHSU as per Academic Policy Statement 950601 (http://www.shsu.edu/dept/academic-affairs/documents/aps/curriculum/950601%20Members%20Not%20Employed%20Thesis%20Dissertation_2017doc.pdf). Selection of the chair depends on student preference, faculty availability, and expertise. After a faculty member agrees to serve as chair, the student will select the other committee members with guidance from the chair. The committee must then be approved by the chair of the major department and the appropriate academic dean. Any change in the composition of the thesis or dissertation committee will be approved in the same manner.

Prospectus
In consultation with the thesis or dissertation chair, the student will select a subject of investigation and determine the availability of the required sources, facilities, materials, and equipment for the research and the writing of the thesis or dissertation. The student will prepare a prospectus which will specify the topic, detail the purpose of the proposed investigation, describe the proposed method(s) of investigation, indicate the relationship of study to relevant research and findings of scholars in the student’s area of concentration, and provide a commentary on source materials and/or facilities available for the successful completion of the research.

The prospectus shall be submitted to the thesis or dissertation committee following the timelines outlined by the departmental or college policies. Upon committee approval, the signed prospectus is submitted to the appropriate academic dean for final approval and to the graduate dean for notification purposes. Any subsequent changes in topic or the proposed method of investigation must be approved in writing by the committee and submitted for approval to the appropriate academic dean.

Once a committee is formed, and a prospectus is written, please notify The Graduate School by submitting the Thesis and Dissertation Initiation Sheet (https://www.shsu.edu/dept/graduate-studies/grad-toolkit.html).
Preparation

To facilitate the preparation of the thesis or dissertation, the student should refer to the Directions on Form, Preparation, and Submission of the The Final Copies of Master's Theses and Doctoral Dissertations at Thesis and Dissertation Resources (http://library.shsu.edu/research/guides/thesis), as well as other important information on The Graduate School's website.

Procedure

Candidates should be in regular contact with committee members throughout the thesis/dissertation process. Candidates should allow committee members ample time to review draft versions of the thesis/dissertation. The candidate should submit the completed thesis or dissertation to the thesis or dissertation committee at least two weeks prior to the scheduled defense. The following steps must be completed, most in the graduating semester.

1. The candidate shall submit a draft of the thesis/dissertation to the Library for format and style review. The last day to submit the draft can be found in the Academic Calendar (http://www.shsu.edu/dept/Registrar/calendars_academic_calendar.html).
2. The chair of the committee or the graduate advisor establishes a time and location for administering a verbal defense of the thesis or dissertation. The defense must be held at least six weeks prior to graduation. Attendance at the defense is open to the entire university community.
4. Upon successful completion of the defense, the candidate should begin the routing of the Electronic Route Sheet (http://www.shsu.edu/dept/graduate-studies/theses-and-dissertations.html). This form will be automatically routed to the thesis/dissertation committee chair and the appropriate academic dean; the director of the library; The Graduate School; and the Office of the Registrar.
5. Upon approval by the committee, the final (approved) version of the thesis or dissertation should be submitted to the Newton Gresham Library by the candidate for final review prior to publication. The last date for submission can be found in the Academic Calendar (http://www.shsu.edu/dept/Registrar/calendars_academic_calendar.html). Printing and binding costs for physical reproductions of the thesis or dissertation and binding costs are the responsibility of the candidate. The original copy will remain in the library collection.

Graduation

Application for a Degree

For fall and spring graduates, a formal application and payment of the degree/diploma fee must be made in the Registrar's Office on or before the 12th class day of the semester in which the degree is to be conferred. Summer graduates will be required to file a formal application and pay the degree/diploma fee prior to the beginning of the summer semester in which the degree is to be conferred. The specific deadline dates to apply to graduate each semester can be found in the Academic Calendar (https://www.shsu.edu/dept/Registrar/calendars_academic_calendar.html). A student filing a degree application after the published deadline will be assessed a late fee. A student who is completing the last semester of coursework at an institution other than SHSU must provide the Graduate School with an official transcript of this coursework no later than one day prior to the graduation date. Further details regarding the graduation application process and commencement ceremony information may be found through the Registrar's Graduation (https://www.shsu.edu/dept/Registrar/graduation) site.

Application for a Graduate Certificate

All graduate students who complete a graduate certificate issued by SHSU must submit the Graduate Certificate Completion Form (http://www.shsu.edu/dept/graduate-studies/grad-toolkit.html) to The Graduate School via email at gradstudies@shsu.edu. This form should be sent on or before the 12th class day during the fall or spring semester. Summer graduates will be required to submit the Graduate Certificate Completion Form on or before the 4th class day. At this time, no fee is associated with the Graduate Certificate Completion form. Please note that certificates issued by the Texas Education Agency (TEA) will be distributed by the TEA not by The Graduate School at SHSU.

Grading System

Four grades are given in graduate courses at the University:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Denotation</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Academic Excellence</td>
</tr>
</tbody>
</table>
Refer to Academic Policy 910312 to the chair of the department, then to the academic dean of the college, and finally to the Provost and Vice President for Academic Affairs.

Any appeal for a review of the termination of graduate status should be directed in writing through the graduate advisor of the program, then the regulations previously stated.

The appropriate academic dean may place on probation, retain on probation, or terminate any student deficient in grade points without regard to the semester or summer session of their anticipated graduation will be terminated from graduate studies and will not be eligible to graduate in that term. The student will be terminated.

Students who earn a grade of “C” in any course (repeated or distinct course) within their academic program may have his/her graduate status reviewed by a committee comprised of the department or college's graduate faculty. The committee will recommend an appropriate remediation for the student. A student who earns two grades of “C” in distinct or repeated courses within their academic program will be terminated from graduate studies. A graduate student who earns a grade of “C” in any graduate course will be terminated from graduate studies. The grade of “NC” is treated as an insufficient grade to meet degree course requirements. Those students who earn two grades of “C” in distinct or repeated courses within their academic program during the semester or summer session of their anticipated graduation will be terminated from graduate studies and will not be eligible to graduate in that term. The student will be terminated.

Any appeal for a review of the termination of graduate status should be directed in writing through the graduate advisor of the program, then to the chair of the department, then to the academic dean of the college, and finally to the Provost and Vice President for Academic Affairs.

If a student wishes to pursue a different program after being terminated from the original program, the student must complete the admissions process and be accepted into the new program. A student must be in Academic Good Standing in order to change to a new program or receive a release from the academic program, academic dean of the college, and Dean of The Graduate School. Once accepted to the new program, the previous program must release the termination block in the Registrar’s Office before the student can register in the new program.

Resignations
To resign (officially withdraw) from the University, a student must notify the Registrar’s Office and process a Resignation Request. The Resignation Request must be in writing and becomes effective on the date received by the Registrar’s Office. The effective date of the Resignation Request, as received by the Registrar’s Office, is the date used for determining any refund as authorized in the State Refund Policy (see Tuition and Fees Refund Policy (http://www.shsu.edu/dept/registrar/students/registration/resignations-refunds-drops.html)). The student is responsible for clearing all debts owed to the University. A student who wishes to drop all courses must officially resign. **A student who discontinues attending class and fails to officially resign from the University will receive the grade of “F” in each enrolled course.**

A student who resigns after the 12th class day of a regular semester or after the 4th class day of a summer session will receive a mark of “W” for each enrolled course. A student who resigns from the University while enrolled in a course whose duration is less than a normal term will receive a mark of “W” if the resignation occurs after one-half of that course time has been completed.

Transcripts
A Sam Houston State University transcript is the official record of a student’s academic college credits (transfer courses reported to Sam Houston, credits earned by exam – CLEP), including all undergraduate and graduate level courses and degrees earned. At the request of the student, the transcript may be a comprehensive record of all coursework and degrees, or may be limited to 1) undergraduate coursework and degrees, or 2) graduate coursework and degrees.

For information about ordering your transcript, see the Registrar’s page (link: http://www.shsu.edu/dept/registrar/transcripts-and-student-records/transcripts.html)

Transfer of Credit
In accordance with Academic Policy Statement 801007 (http://www.shsu.edu/dotAsset/b02fc0cd-6d78-4dcc-b392-c865d214225e.pdf), graduate courses completed at other accredited colleges and universities may be applied as transfer credit toward a graduate degree at Sam Houston State University at the discretion of each graduate program and the college in which it is housed. Transfer credit is not automatically conferred and must be requested by the graduate advisor. Only courses with an earned grade of “B” or better may be used as transfer credit. Transferred courses must adhere to the six year time frame for Master’s degrees and the eight year time frame for doctoral degrees. If courses are older than the allowed time frame, written justification must be provided by the graduate advisor with approval by the academic dean and the Dean of The Graduate School for courses to be transferred.

The maximum number of hours that may be transferred into a graduate program are as follows:

- 6 hours of transfer credit toward a degree of 30 hours;
- 9 hours of transfer credit toward a degree of 31 to 36 hours;
- 12 hours of transfer credit toward a degree of 37 to 48 hours;
- 15 hours of transfer credit toward a degree of 49 or more hours.

Transfer or credit does not apply to graduate certificates at SHSU.

Students are encouraged to contact the appropriate graduate advisor for information concerning transfer credit allowed for a specific degree.

**University Academic Policy Manual and Student Guidelines**
Sam Houston State University’s Academic Policy Manual (http://www.shsu.edu/dept/academic-affairs/aps/aps-students.html) and Student Guidelines provide specific information pertaining to the educational mission of the University and student conduct. Copies of these publications may also be viewed at the Reference Desk of the Newton Gresham Library.
