

MINOR IN COMMUNITY LEADERSHIP

The Minor in Community Leadership provides students with knowledge, skills, and dispositions to be agents of change in their communities. Along with the foundational Intro to Community Leadership SOCI 3305 (catalog.shsu.edu/archives/2019-2020/undergraduate/course-descriptions/soci) and the capstone internship course SOCI 4379 (catalog.shsu.edu/archives/2019-2020/undergraduate/course-descriptions/soci), students are required to strengthen their communication skills in Community Applied Communication COMS 3385 (catalog.shsu.edu/archives/2019-2020/undergraduate/course-descriptions/coms). The three core courses all feature the Academic Community Engagement (ACE) pedagogy giving students opportunities to apply knowledge and skills to meet community needs and gain professional experience. Three elective courses round out the minor providing students an interdisciplinary perspective on community leadership.
