

# DEPARTMENT OF BIOCHEMISTRY AND MOLECULAR BIOLOGY

---

## About

### Chair

Sanjeev Choudhary, PhD

### Contact Information

Brianna Patranella, Administrative Associate II

936-294-3928

### Website

Department of Biochemistry and Molecular Biology

### Mission

The mission of the department of Biochemistry and Molecular Biology is to prepare the next generation of osteopathic physicians through engagement with scholars and educators dedicated to discovering, developing, and disseminating knowledge of molecular and cellular biology.

## Academic Programs

- Doctor of Osteopathic Medicine (DO) (<http://catalog.shsu.edu/archives/2020-2021/graduate-and-professional/college-departments/osteopathic-medicine/osteopathic-medicine-do/>)

### Director/Chair: **Sanjeev Choudhary**

Sanjeev Choudhary, PHD ([choudhary@shsu.edu](mailto:choudhary@shsu.edu)), *Professor and Chair of Biochemistry, Cell Biology and Genetics, Department of Molecular and Cellular Biology*, PHD, Post Graduate Institute of Med; MS, University of Poona; BS, University of Poona

Hatem Abdelrahman Omar Elshabrawy, PHD ([hxe007@shsu.edu](mailto:hxe007@shsu.edu)), *Assistant Professor of Microbiology, Immunology and Pathology, Department of Molecular and Cellular Biology*, PHD, Univ of Illinois-Chicago; BPHARM, Cairo University

Michael John Griffin, PHD ([mxg166@shsu.edu](mailto:mxg166@shsu.edu)), *Assistant Professor of Cell Biology and Genetics, Department of Molecular and Cellular Biology*, PHD, Univ of Calif-Berkeley; BS, Penn State Un-Univ Park

Yuan Zhao, PHD ([yxz028@shsu.edu](mailto:yxz028@shsu.edu)), *Associate Professor of Microbiology and Immunology, Department of Molecular and Cellular Biology*, PHD, Univ of Louisville; MS, Univ of Louisville; BS, East China Normal Un
