Total Hours 125-129

- MATH 1384 satisfies the requirement for Component Area II (Mathematics) and the major
- ² Component Area III: BIOL 1436 suggested; Component Area IX: COMS 2382 suggested; Component Area V: CAMX 2301 suggested.
- BIOL 1408 satisfies the requirement for Component Area III (Life and Physical Science) and the major.
- ENGL 2332 or ENGL 2333 satisfies the requirement for Component Area IV (Language, Philosophy, and Culture) and the major.
- ⁵ GEOG 1300 satisfies the requirement for Component Area VII (Social and Behavioral Science) and the major.
- ECON 1100 satisfies the requirement for Component Area IX (Component Area Option) and the major.
- BESL 3301 prerequisite for TESL 3313
- 8 SPED 2301 prerequisite for SPED 3301.
- 9 TESL 3313 prerequisite for TESL 4314
- Students admitted into the MED in Teaching and Learning as part of the 4+1 program may satisfy their YLR requirement with the MED Internship coursework and 4 additional free elective hours.

Notes:

Student Teaching Block is considered a FULL LOAD at SHSU. Please check prerequisites for Field Experience 1, Field Experience 2, YLR Semester I, and YLR Semester II. Each field experience block must be completed successfully in order to progress through the field experience sequence.

Field Experience in public schools is required for many CIEE, ECHE, CIME, READ, TESL, and SPED classes.

Full admission to the Educator Preparation program and CIME 2313, CIME 3374, and SPED 2301 are required prior to enrollment in Field Experience I.

BESL 3301 is required prior to enrollment in Field Experience II.

CIME 3385 is required prior to enrollment in YLR Semester I.

4-8 teaching candidates are now eligible to add a Minor in Special Education. This degree minor provides a pathway for College of Education students majoring in grades 4-8 certification tracks or the grades 7-12 certification tracks to also graduate with a teaching certification in the area of special education. The course requirements are available by clicking here (http://catalog.shsu.edu/archives/2021-2022/undergraduate/colleges-academic-departments/education/school-of-teaching-and-learning/special-education-minor/).

Bachelor of Science in Education and Master of Education in Teaching and Learning 4+1 Program Admission Documentation and Criteria

Applicants seeking admission to the Bachelor of Science in Education and Master of Education in Teaching and Learning 4+1 Program must submit the following:

- 4+1 Program Application through TK20
- Current undergraduate transcript demonstrating a minimum 3.15 overall GPA or last 60 SCH.
- · Three Reference Forms (at least two from SHSU professors)
- Writing Sample

Admission to the 4+1 program is competitive and the number of available positions is limited. The top candidates from the initial application review will progress to a group interview and must also submit:

- a video recording of themselves conducting a 20-30 minute lesson in a K-12 classroom
- an in-person writing sample

Before a formal offer of admission will be issued, the applicant must supply evidence that he or she has passed both the appropriate content TEXES and PPR TEXES certification exams.

Notes

Student Teaching Block is considered a FULL LOAD at SHSU. Please check prerequisites for Field Experience I, Field Experience II, YLR Semester I, and YLR Semester II. Each field experience block must be completed successfully in order to progress through the field experience sequence.

Field Experience in public schools is required for many CIEE, ECHE, CIME, READ, TESL, and SPED classes.

Full admission to the Educator Preparation program and CIME 2313, CIME 3374, and SPED 2301 are required prior to enrollment in Field Experience I.

BESL 3301 is required prior to enrollment in Field Experience II.

CIME 3385 is required prior to enrollment in YLR Semester I.

4-8 teaching candidates are now eligible to add a Minor in Special Education. This degree minor provides a pathway for College of Education students majoring in grades 4-8 certification tracks or the grades 7-12 certification tracks to also graduate with a teaching certification in the area of special education. The course requirements are available by clicking here (http://catalog.shsu.edu/archives/2021-2022/undergraduate/colleges-academic-departments/education/school-of-teaching-and-learning/special-education-minor/).

Bachelor of Science in Education and Master of Education in Teaching and Learning 4+1 Program Admission Documentation and Criteria

Applicants seeking admission to the Bachelor of Science in Education and Master of Education in Teaching and Learning 4+1 Program must submit the following:

- · 4+1 Program Application through TK20
- · Current undergraduate transcript demonstrating a minimum 3.15 overall GPA or last 60 SCH.
- Three Reference Forms (at least two from SHSU professors)
- · Writing Sample

Admission to the 4+1 program is competitive and the number of available positions is limited. The top candidates from the initial application review will progress to a group interview and must also submit:

- a video recording of themselves conducting a 20-30 minute lesson in a K-12 classroom
- · an in-person writing sample

Before a formal offer of admission will be issued, the applicant must supply evidence that he or she has passed both the appropriate content TEXES and PPR TEXES certification exams.

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BS, Major in Education, 4-8 Social Studies is designed to provide graduates with the following marketable skills:

- Prepared to teach social studies content necessary for 4 8 certification.
- Prepared to implement evidence-based methods of teaching and learning.
- Fully qualified to teach in Texas public schools.
