The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BS, Major in Education, PK3 is designed to provide graduates with the following marketable skills:

- Prepared for Texas Teacher Certification in Prekindergarten through third grade.
- Prepared to teach all content areas necessary for PK – 3rd Grade.
- Prepared to implement evidence-based methods of teaching and learning.
- Fully qualified to teach in Texas Public schools.
