

# RN TO BSN

The RN to BSN program courses are 100% online to accommodate a working nurse's schedule. Full and part-time options are available to provide flexibility for the working Registered Nurse (RN). Faculty are available at SHSU-The Woodlands Center for questions and advising.

The RN-BSN Online Track is designed for the student who is enrolled in or graduated from a community college with a degree in nursing and will be eligible to sit for the NCLEX-RN, or who has passed the NCLEX-RN, holds a current, unencumbered Texas license as a registered nurse and wishes to obtain the baccalaureate degree. Earning a baccalaureate degree will open more doors in an RN's nursing career, allowing for positions of leadership, enhanced career advancement opportunities, and the potential to pursue graduate education.

There are three types of admission to SHSU's RN to BSN program:

- 1) Unconditional Admission
- 2) Conditional Admission
- 3) Joint Admission while enrolled in a community college nursing program.

The table below illustrates the requirements for each type of admission.

Admission Type	Application to SHSU	Application to RN BSN	Texas RN License	Cumulative GPA	Prerequisite GPA	<sup>1</sup> Proof of Clinical Readiness	Completion of all Prerequisite Courses
Unconditional	X	X	X	2.5	2.5	X	X
Conditional	X	X	Within 1 semester, before beginning clinical courses	2.5	2.5	X	Within 1 year*
Joint	X	X	Before beginning clinical courses	2.5	2.5	X	Before beginning clinical courses**

\*For Conditional Admission, prerequisite courses may be taken following enrollment in RN-BSN program, but must be taken within one year.

\*\*Joint Admission students may apply after completion of 1st semester of ADN courses. Students must have unencumbered RN license to practice in Texas prior to enrolling in clinical courses.

<sup>1</sup> Satisfies Core Curriculum requirement for Component Area II (Mathematics).

<sup>2</sup> Satisfies Core Curriculum requirement for Component Area III (Life and Physical Science).

<sup>3</sup> PHIL 1301 is recommended and satisfies Core Curriculum requirement for Component Area IV (Language, Philosophy, and Culture).

<sup>4</sup> Satisfies Core Curriculum requirement for Component Area VIII (Social and Behavioral Sciences).

<sup>5</sup> SOCI 2319 is recommended and satisfies Core Curriculum requirement for Component Area IX (Component Area Option).

<sup>6</sup> BIOL 2401 and BIOL 2402 may be used as a transfer course for this requirement; please see a SAM Center advisor for more details.

<sup>7</sup> FACS 1367 may be used as a transfer course for this requirement; please see a SAM Center advisor for more details.

<sup>8</sup> Includes 12 hours NCLEX exam credit: NURS 3620 and NURS 4620.

<sup>9</sup> A minor is not required for this degree program; however, a student has the option to add a minor, but to do so additional semester credits hours will be needed above the degree program's stated total semester credit hours.

<sup>10</sup> All minors can be paired with this degree program.

## Notes

Students must earn a 2.0 minimum overall GPA in all coursework.

Students must meet a 2.0 minimum overall major GPA in all major coursework.

Students must earn a 2.0 minimum SHSU GPA in all coursework.

Students must meet a 2.0 minimum SHSU major GPA in all major coursework.

Students admitted not core complete, must meet the SHSU core curriculum requirements. For students who are taking prerequisite hours at SHSU, see the pre-licensure BSN requirements.

NURS 4372 is recommended to be taken in the final semester.

Science courses do not require a 7 year renewal.

The nursing credit hours include 32 articulation credits and 30 hours taken at SHSU. Course substitutions in the degree specific credit hours may require additional elective credit hours to reach the total 121 credits required for the degree.

Students must apply and be accepted into the SHSU School of Nursing prior to registering for any NURS courses.

Students must receive a grade of "C" or better in each NURS course.

Students accepted into the SHSU School of Nursing are required to adhere to additional policies indicated in the School of Nursing student handbook.

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The RN to BSN is designed to provide graduates with the following marketable skills:

- Lead in the provision of safe quality care using evidence-based practice.
- Collaborate with patients and members of the healthcare team to promote health and provide preventive care.
- Incorporate ethical principles and professional standards to provide quality care to diverse populations.
- Advocate for patients and the nursing profession while incorporating dynamic system practices, health policies, and global healthcare factors.
- Maintain confidentiality and protect patient rights utilizing technology and information management systems.
