The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The Superintendent Certification is designed to provide graduates with the following marketable skills:

- Collaborative leadership.
- Transparent communication.
- Inclusive decision making.
- Systems thinking orientation.
