DEPARTMENT OF ACCOUNTING

Chair: Philip W. Morris (morris@shsu.edu) (936) 294-1258 accounting@shsu.edu

Website: Department of Accounting (http://www.shsu.edu/academics/accounting)

Vision
To be a leading professional accounting department among Texas universities providing a relevant curriculum delivered by professional faculty dedicated to teaching, research, and service.

Mission
Our mission is to prepare our students to enter the accounting profession in the public, industry, and not-for-profit sectors through excellent teaching and pedagogy and through the creation of a sound learning environment. In support of this mission our faculty will produce intellectual contributions that contribute to the professional practice of accounting, to accounting pedagogy, and to discipline based research. We will also maintain a level of interaction with the accounting profession that ensures the continued relevance of our program and viability of our graduates.

Highlights
The Department of Accounting works closely with outside stakeholders in CPA firms, industry, and government in order to ensure that the accounting curriculum provides students with the necessary skill sets and knowledge to successfully function as professional accountants upon graduation. Evidence of the success of this process is provided in part by the continued recruitment of SHSU accounting graduates by numerous, diverse employers. Accounting majors participate in the annual Meet the Firms career fair held in the Fall semester. This function, which first began in 1997 and is organized by the SHSU Chapter of Beta Alpha Psi, the national accounting honor organization, is attended by employers that are specifically and many times solely interested in accounting majors and, in some cases, finance majors. Accounting majors, minors, MIS majors, and Finance majors from all levels attend this event to begin or to continue their participation in the recruitment and hiring process.

Career Opportunities
- Public accountant
- Tax accountant
- Cost accountant
- Government accountant
- Budget accountant
- Auditor
- Appraiser
- Budget analyst
- Credit analyst
- Financial examiner
- Tax examiner
- Revenue agent
- Educator

Graduate Program in the Department of Accounting
- Master of Science in Accounting (catalog.shsu.edu/graduate/college-departments/business-administration/accounting/accounting-ms)

Other Graduate Programs in the College of Business Administration
- Master of Business Administration (catalog.shsu.edu/graduate/college-departments/business-administration/mba)
- Executive Master of Business Administration in Banking and Financial Institutions (catalog.shsu.edu/graduate/college-departments/business-administration/emba)
- Master of Science in Project Management (catalog.shsu.edu/graduate/college-departments/business-administration/management-marketing-and-information-systems/project-management-ms)

Student Organizations and Activities
- Association of Certified Fraud Examiners
- Beta Alpha Psi (BAP)
- National Association of Black Accountants (NABA)
- Student membership in the American Institute of Certified Public Accountants (AICPA)
Internships

The Department of Accounting has an active internship program and students are encouraged to participate. Selection requirements are rigorous and involve meeting both minimum standards set by the Department of Accounting and selection by the hiring firm or business following an interview process. These internships must meet guidelines as established by the Texas State Board of Public Accountancy and involve specific, direct accounting training and activity beyond routine clerical and office activities. While students generally participate in these internships in the latter part of their undergraduate studies, graduate students may also participate.

Scholarships

Scholarships are available on a competitive basis for accounting majors. Students are encouraged to apply for scholarships using the Scholarships4Kats (https://shsu.academicworks.com) program on the Financial Aid website. The Scholarships4Kats (https://shsu.academicworks.com) program is a single application that will allow the student to apply for most scholarships available on campus whether at the departmental, college, or university-level. The deadline for applying for Department of Accounting scholarships is February 15. Department of Accounting scholarship recipients are announced in April for the following academic year. The specific scholarships that are available through the Department of Accounting vary from year to year.
ACCT 5333. Financial Statement Analysis. 3 Hours.
An overview of the pertinent theoretics and various applications relevant to the analysis of financial statements by applying both finance and accounting principles. Readings and case studies applied to provide a contemporary prospective.
Prerequisite: Admission to the MS in Accounting program.

ACCT 5336. Gov & Not-For-Profit Acc. 3 Hours.
This course provides an overview of financial accounting and reporting for governmental and not-for-profit entities. Governmental accounting coverage comprises fund accounting, budgeting and control, revenue recognition in governmental funds, accounting for business-type and fiduciary activities, fund-level and government-wide financial reporting, and governmental auditing. Accounting for private not-for-profit organizations (including charitable organizations, colleges and universities, and health-care entities) covers special issues such as accounting for contributions, classifications of net assets, and industry specific reporting.
Prerequisite: Admission to the MS in Accounting program.

ACCT 5347. Managerial Accounting Application. 3 Hours.
Study and examination of managerial accounting applications that address contemporary managerial issues and problems. Topics include activity based costing, target costing, quality costs, environmental costing, capacity costing, theory of constraints, costing for lean production, and other areas. Cases and exercises are used to provide professional practice and experience in the development and use of management accounting information for decision making and the role of the management accountant as part of the management decision making team.
Prerequisite: Admission to the MS in Accounting program.

ACCT 5352. Corp & Pass Thru Entity Tax. 3 Hours.
A study of the Internal Revenue Code and related tax literature associated with corporate and pass through entity taxation. Students will learn the concepts of forming, operating and liquidating C Corporations, S Corporations, LLCs and Partnerships. Federal tax returns are prepared for C Corporations, S Corporations and Partnerships. Tax research is emphasized and integrated into each of the above areas. Students will obtain proficiency in the use of various internet and paper based tax services and in the examination of related contemporary accounting literature.
Prerequisite: Admission to the MS in Accounting program.

ACCT 5355. Estate Planning, Trusts, Nonprofit. 3 Hours.
Concepts of estate planning to enable tax minimized transmittal of property from one generation to the next generation or beyond. Topics to include: lifetime gifts, successive life estates, use of trusts, estate tax technical issues, tax research, formation and use of family partnerships, corporations, LLCs, and other business forms in conjunction with estate planning. Understanding of charitable entities/devices and their opportunities in estate planning. Exposure to other not for profit tax entities and their return problems. Understanding and preparation of federal tax forms 709, 706, 1041, and other related forms, including Texas related forms as applicable. Understanding of community property concepts related to estate planning issues. Understanding of property issues as related to estate planning issues. Understanding and proper use of trust devices and potential tax impact (both estate and income taxation).
Prerequisite: Admission to the MS in Accounting program.

ACCT 5357. ERP Business Proc Integration. 3 Hours.
This course utilizes the SAP R/3 information system paradigm as a model for examination and development of integrated business process solutions. The course examines the conceptual background, rationale, methods, and procedures commonly employed by businesses in developing and configuring integrated business systems. Cases and hands-on experience using SAP R/3 require students to configure a business process solution through integration of financial, controlling, production, materials management, sales and distribution, manufacturing, and other ERP process modules.
Prerequisite: Admission to the MS in Accounting program.

ACCT 5379. Prof Ethics & Responsibility. 3 Hours.
This course provides prospective accounting professionals an ability to apply philosophic moral theory to particular issues pertaining to the accounting profession. The course includes the examination of contemporary accounting literature related to ethical standards, ethical reasoning, integrity, objectivity, independence, and other core values. Emphasis is placed on dealing with controversial issues and examining the legal and professional responsibilities of public accountants. Topics also included are the examination of the state and AICPA Code of Professional Conduct and other governing authorities pronouncements, such as SEC, IRS, and similar such bodies. Case studies and exercises with professional responsibility and ethical considerations in real life situations are interspersed throughout the curriculum.
Prerequisite: Admission to the MS in Accounting program and concurrent enrollment in ACC 5399.

ACCT 5399. Advanced Auditing Theory & Pract. 3 Hours.
This course examines the theoretical and application issues of contemporary auditing as identified in the literature and by recent professional pronouncements. Topics include internal control, control risk, legal liability of auditors, audit failure, audit risk, auditor responsibility for detection of fraud, and the evolving nature of the auditing profession in compliance with new audit standards. Case studies and exercises are used to address these and other topics of importance to professional auditing practice.
Prerequisite: Admission to the MS in Accounting program.
