Resignations/Withdrawals
Students who receive Title IV financial aid and withdraw or drop all courses during the semester must be aware of the impact on their financial aid. Federal Title IV aid includes Pell Grant, Supplemental Educational Opportunity Grant, and Subsidized/Unsubsidized Stafford Loans. It is recommended that students visit with their Financial Aid Counselor prior to withdrawing or dropping courses.
Title IV aid recipients must be continuously enrolled for at least 60% of the semester for which aid is disbursed to retain all of the financial assistance issued for that semester. After the 60% point, students are considered to have earned 100% of the Title IV funds disbursed. Any student who resigns prior to completing 60% of a semester must repay any unearned portion of their federal financial aid.

The amount of the repayment depends on the number of days attended during the semester, the type and amount of financial aid received and the total amount of institutional charges.

Earned federal financial aid is prorated according to the percentage of the semester completed. The earned aid is determined by the amount of total aid received minus the amount of unearned aid.

Unearned aid is allocated and/or returned in the following order:

- Direct Unsubsidized Loan
- Direct Subsidized Loan
- Perkins Loan
- Direct PLUS Loan (Graduate Student)
- Direct PLUS Loan (Parent)
- Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Teach Grant
- Other State Aid
- Scholarships will be returned at the discretion of the individual donors/departments.
