Academic Advisement for Registration
Sam Houston State University offers advisement throughout the year at the Student Advising and Mentoring Center (SAM Center). The Center is located in the College of Humanities and Social Sciences Building, 1901 Avenue I. Telephone: (936) 294-4444; Toll free: (866) 364-5211; Houston area: (281) 657-6432. E-mail: SAM Center (p. 1). Students majoring in Criminal Justice should contact the Criminal Justice Advisement Center located on the second floor of the George J. Beto Criminal Justice Center at 816 17th Street, Huntsville, TX 77340. Telephone: (936) 294-1702.

The university provides advisors to assist students with registration and with making appropriate progress toward completion of degree requirements and ultimately, graduation. However, the student bears sole responsibility for assuring that all degree requirements are fulfilled.

Students are placed under a degree and major based on the selection at the time of application to Sam Houston. A student has the option of meeting the academic requirements for any degree as outlined in the catalog at the time of admission or of meeting those listed in any later catalog provided the requirements are met not later than six years from the effective date of the selected catalog. The student is responsible for knowledge of the detailed requirements of the degree program selected to include any special requirements of the major and/or minor department. Students must speak to their advisor in order to make a change to their major and must have a minimum 2.0 SHSU GPA. Some academic departments may require approval of the change of major.

Advisement is required for the following students:
- Students with no SHSU grade point average (GPA).
- Students with a grade point average (GPA) below a 2.50.
- Students who have earned less than a grade of C in any developmental course during the previous semester at SHSU.
- Students subject to completion of TSI requirements.
- All students who have not officially declared a major and are reaching 45 hours of completed coursework.
- All students who have 90 or more hours completed or in progress.

Registration
Once accepted and advised at Sam Houston State University, students may register for classes during the scheduled registration periods. Registration procedures apply to all SHSU courses taken on campus, off campus, and online. - A student is allowed no more than 5 Q-drops during their career at SHSU.
- A student is allowed no more than 6 Q-drops during their combined career at all Texas public colleges and universities.

- International students must make changes through the Office of International Programs.

When can students change their schedules?

- During any open registration period for a current or future term.

For registration times, please refer to Registration Dates (http://www.shsu.edu/dept/registrar/students/registration/registration-dates.html).

Resignations

A resignation is withdrawing from all classes within a term. This does not mean the student is discontinuing his/her academic career. The student will have one full academic year from last enrollment term to return to SHSU without reapplying, granted he/she did not leave on Academic Suspension.

To resign (officially withdraw) from the University, a student must notify the Registrar’s Office and process a Resignation Request. The Resignation Request becomes effective on the date received by the Registrar’s Office. The resignation effective date is used for determining any refund as authorized in the State Refund Policy (see Tuition and Fees Refund Policy). The student is responsible for clearing all debts owed to the University. International students must be advised by the International Student Advisor before resigning. Students who fail to officially resign from the University prior to the resignation deadline and discontinue going to class will receive the grade of F or the grade earned for each course in which they are enrolled.

Students who resign after the twelfth class day of a fall/spring term receive a mark of W (withdrawn) for each course for which they were enrolled. Students registered in courses meeting less than 15 weeks please refer to the resignation refund schedule. If a student has received a grade in any course for that term, he/she is ineligible to resign.

Correspondence Courses

Correspondence courses are offered for those students who wish to add to their academic program by individual study. A student is permitted to complete eighteen semester hours toward a bachelor’s degree by correspondence coursework. Restrictions may apply to some courses. Correspondence courses may be completed in a minimum of sixty days and a maximum of one calendar year.

Semester credit hours earned in correspondence courses are not considered “Resident Classroom Instruction” hours and are not used in determining academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, the Dean’s List, and the President’s Honor Roll. Correspondence coursework is posted, however, to the transfer section of the academic record, and the grade points are calculated into the overall cumulative grade point average and not the Sam Houston grade point average.

Students may not take correspondence courses to improve grades of D or F without approval from the appropriate academic dean.

Correspondence courses are not offered at the graduate level, nor can any correspondence course taken at any level or at any institution count towards a graduate degree at Sam Houston State University.

Students may enroll in correspondence courses at any time. Additional information, including a brochure listing courses offered and an enrollment application, may be obtained by inquiring in person at 2405 Avenue I in the Correspondence office, via the Correspondence Website, or by writing to:
