DEPARTMENT OF ART

Chair: Michael Henderson (art_mhh@shsu.edu)  (936) 294-1314
Website: www.shsu.edu/art (http://www.shsu.edu/art)

The Department of Art offers opportunities for creative students to explore and develop proficiencies in many traditional art forms, such as drawing, painting, sculpture, printmaking, ceramics, and photography. New and innovative art forms are also promoted in the Department of Art. Digital media courses are offered in graphic design, computer animation, and photography. Traditional and new media programs are supported by the Art History program, which provides concepts in aesthetics and art theory from diverse cultures and time periods.

Mission
The mission of the Sam Houston State University Department of Art is to teach skills, techniques, aesthetic principles and concepts that develop students personally and help to prepare them for professional careers in art and design as well as postgraduate study. We foster a vibrant environment for creative research and collaboration between faculty, students, and the community.

Highlights
All of the degree programs in the Department of Art are accredited by the National Association of Schools of Art and Design.

The Department has over 30,000 square feet of space devoted to studios, laboratories, lecture halls and galleries. Studios for painting, sculpture, ceramics, printmaking, and photography are equipped with the best tools available for students to develop skills and express ideas. Digital labs maintain state-of-the-art computer equipment for students in graphics, photography and computer animation.

Visiting artists from around the U.S. exhibit their work in the Gaddis Geeslin Gallery and give public lectures, workshops, and critiques for students. Individual studio space is available for advanced students in the Studio Art and Photography programs. The department operates the Satellite Gallery, devoted to exhibitions of student work in downtown Huntsville. Students in the Department of Art have the opportunity to take the New York Art Trip every fall and also have study abroad opportunities every summer.

Program Specific Requirements
Studio classes in computer animation, graphic design, photography, and studio art meet six clock hours per week each semester for three credit hours. Art history lecture classes meet for three clock hours per week.

All art students, including transfer students, must take W.A.S.H. (ARTS 1313, ARTS 1314, ARTS 1315) as a prerequisite for other art courses.

After completing the Art Foundation courses (see below), students must pass the BFA Portfolio Review to continue in a BFA program. The BA in Art does not require the BFA Portfolio Review. For more details regarding the BFA Portfolio Review, please refer to the degree plans.

Students must have a 3.0 GPA or higher in art courses to graduate with a BFA degree.

Seniors are required to exhibit their work publicly as part of the capstone class in each BFA program.

For art majors, the Department of Art requires a grade of C or better for each art course.

Laptop Requirement
Art students are required to own a Mac laptop as specified by their chosen program of study. Mac laptops are a required material for W.A.S.H. students. Financial Aid may adjust funding for qualified art students for the purchase of required hardware and software. Students must complete the financial aid application and qualify for financial aid. Contact the Office of Financial Aid for details. For current laptop and software requirements, go to http://www.shsu.edu/academics/art/resources/laptop-initiative.html.

Teacher Certification in Art
To become certified to teach art in a public school in the State of Texas, students will pursue an All-Level Certification in Art by following the degree plan for one of the BFA programs in art and adding a minor in secondary education. The required education courses (including six hours of student teaching) are:

Curriculum

BFA Degrees

The BFA is the professional degree in art. BFA programs are offered in Studio Art (2D and 3D Tracks), Computer Animation, Graphic Design, and Photography. All of the BFA degrees in the department require a foundation of courses that emphasizes the principles of design, basic techniques, mark making, spatial organization, gestalt theories and principles, and color theories. These principles, ideas, and skills are put into practice in projects that require creative problem solving, individual solutions, and personal expression. After completing the Art Foundation courses and the BFA Portfolio Review, students take the BFA Core, a common core of art classes that includes courses in 2D, 3D, and time-based mediums. The BFA Core provides opportunities to practice and develop the skills and ideas acquired in the Art Foundation courses. Expertise in specific disciplines is then further developed in the remaining upper-level Major courses in each BFA program.

**Student Organizations**

The Student Art Association (SAA) is a student-motivated organization that provides students with opportunities to create a community environment and form a strong network among their peers. The SAA is dedicated to student development, member exhibitions, technical/creative workshops, field trips, and promotion of student work.

SHSU SIGGRAPH (http://www.shsu.edu/~org_siggraph) is an organization of students interested in computer animation, computer-generated imagery, and interactive techniques. SIGGRAPH members work together on independent animated projects and games, support one another by sharing techniques and knowledge, travel to visit professional game and animation studios, and have the opportunity to attend the national SIGGRAPH conference in the summer.

Student Design Collective (SDC), is a graphic design organization whose goal is to enhance classroom learning and develop professional relationships in order to assist students now and in their future careers. SDC intends to help better prepare students for real world applications and work environments, as well as promote interest and appreciation of graphic design through events, hands-on workshops, and community involvement.

Drawing Club is an organization for students interested in the art and practice of drawing. The club meets regularly to discuss drawing used in many applications—including comic books, scientific illustrations, and fine art—and organizes Open Drawing Sessions, which feature live models and meet outside of regular class times in departmental studio spaces.

**Internships, Research, and Community Engagement**

The Department of Art is committed to providing opportunities for students to work as interns in professional environments in the fields of graphic design and computer animation. Photography and studio art majors have opportunities to intern or volunteer at art centers and community organizations. Students actively engage the community through ACE (Academic Community Engagement (http://www.shsu.edu/academics/cce)) courses, public exhibitions, and screening of their work both on and off campus. For more information about community engagement and internships, contact the Department Chair.

**Scholarships**

Scholarships are available from both the Department of Art and the university to support a student’s study.

The Department of Art Scholarships include:

• Art Endowment
• Clem Otis
• Distinguished Faculty Scholarship
• Elkins Lake Kuntz-Nelson
• Emmette Jackson
• Hal Fulgham Scholarship
• James B. and Marilyn C. Shepard
• Kenneth Zonker
• Madison Wolfe
• Marion St. John Baker
• Majorie Leverton Boehme
• Ruth Wynne Thomason Hollinshead
• Stanley E. Lea
• Weldon Hall Jr.
Departmental scholarships are available to full-time art students. The Weldon Hall Jr. Scholarship is available to incoming freshmen. Information about Department of Art scholarships may be obtained by visiting http://www.shsu.edu/academics/art/resources/scholarships.html or calling (936) 294-1315. Information on university scholarships may be obtained at Office of Academic Scholarships (http://www.shsu.edu/dept/financial-aid/scholarships) or telephone (936) 294-1672.

ARTS 1301. Intro To The Visual Arts. 3 Hours.
(SH Prior Course ID: ART 160); This course will introduce the visual elements of art, their nature, functions and relationships in Painting, Sculpture and Architecture to the non-major.
Prerequisite: Non-Majors only.

ARTS 1302. Exploring Contemporary Art. 3 Hours.
This course presents a critical analysis of major themes in contemporary art, providing students with an appreciation of the artifacts of human imagination. Through the processes of synthesis and interpretation, students will engage in critical, creative, and innovative communication about contemporary works of art.

ARTS 1303. Art History Survey I. 3 Hours.
(SH Prior Course ID: ART 260); This course provides a chronological survey of the major monuments of painting, sculpture, architecture, textiles, and metalwork from the ancient through the medieval periods.

ARTS 1304. Digital Art & New Technology. 3 Hours.
This course will strengthen and complement current course offerings in the Department of Art, in particular, by providing more course offerings for non-majors. Our current course offerings do not include a study of contemporary art at the freshman level.

ARTS 1313. W.A.S.H. - 2D. 3 Hours.
(SH Prior Course ID: ART 130); This studio course introduces the studio arts, art history, theory and technology to the incoming student. It is designed to immerse students in an intense program of researching, interpreting and creating art in the twenty-first century. ARTS 1313 emphasizes the 2-Dimensional Arts. Its companion courses, ARTS 1314 and ARTS 1315, support this studio course with lectures, readings, visiting artists and demonstrations. Co-requisites: ARTS 1314 and ARTS 1315.

ARTS 1314. W.A.S.H. - 3D. 3 Hours.
(SH Prior Course ID: ART 131); This studio course introduces the studio arts, art history, theory and technology to the incoming student. It is designed to immerse students in an intense program of researching, interpreting and creating art in the twenty-first century. ARTS 1314 emphasizes the 3-Dimensional Arts. Its companion courses, ARTS 1315 and ARTS 1313, support this studio course with lectures, readings, visiting artists and demonstrations. Co-requisites: ARTS 1315 and ARTS 1313.

ARTS 1315. W.A.S.H. - Lecture. 3 Hours.
(SH Prior Course ID: ART 132); This course introduces the concepts, theories and information for development in ARTS 1313 and ARTS 1314, the studio components linked with this visual arts foundation course. It is an arena for students to experience lectures, demonstrations, seminar activities and visiting speakers, as well as the more traditional aspects of the discipline. It is geared towards contemporary visual concerns and uses experimental techniques to expose students to an array of styles and methodologies. Co-requisites: ARTS 1313 and ARTS 1314.

ARTS 1316. Drawing. 3 Hours.
An in-depth study of the fundamental principles of drawing and mark making. Students will draw from observation and develop the ability to create 2-dimensional representations using Line, Value, Shape, Edge, Plane and Volume, Space, Texture, Perspective, and Gesture. The use of negative space and compositional strategies are emphasized. Traditions of drawing are examined and drawing is placed in a historical context that emphasizes its importance in contemporary art.

ARTS 2313. Foundations In Digital Art. 3 Hours.
(SH Prior Course ID: ART 262); This is an introductory course in the use of the computer as an art-making medium. The course introduces students to digital software and techniques, image creation and manipulation, digital design and compositional methods, and the use of digital tools as a vehicle of creative problem solving and personal creative expression.

ARTS 2317. Life Drawing I. 3 Hours.
Drawing from the model in various media. Gesture drawing and figure structure are studied. Line, Value, and Shape, Plane and Volume are used as elements to depict the figure in space with accurate proportions. The study leads toward a final portfolio that demonstrates proficiency representing the figure in cohesive and complete compositions for submission to the BFA portfolio review.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315 and ARTS 1316 with a grade of C or better.

ARTS 2323. Principles Of Graphic Design. 3 Hours.
(SH Prior Course ID: ART 234); This entry-level course is the first in building the foundation for graphic design. The emphasis is on creative thinking and problem solving and the development of the designer's process. Each project builds upon the previous in depth and complexity of that process. The student is introduced to computer application of two-dimensional concepts and output.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2315, ARTS 2313.

ARTS 2343. Animation Concepts And Techqs. 3 Hours.
The principles and techniques of traditional animation, including the principles of motion, storyboarding, flipbooks, cel and pencil animation. Also introduces students to the use of computers in animation.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316, ARTS 1317 and ARTS 2313 with a grade of C or better.
ARTS 2344. 2D Computer Animation. 3 Hours.
In this course, computer software is used to create 2D animations that incorporate traditional techniques and styles such as drawing and painting, cut paper, cel animation and stop action. Story development is emphasized and video editing techniques are practiced.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2343 and ARTS 3317 with a grade of C or better.

ARTS 2365. Photographic Visualization. 3 Hours.
(SH Prior Course ID: ART 232); Students will be introduced to advanced exposure techniques and the principles necessary to master use of the large format camera.

ARTS 2370. Digital Photography I. 3 Hours.
(SH Prior Course ID: ART 233); This course introduces the student to the tools and techniques used in the scanning, creation, manipulation, and presentation of digital images.

ARTS 2375. Photographic Concepts. 3 Hours.
(SH Prior Course ID: ART 236); Students are introduced to basic camera functions and concepts, use of visual design elements and articulation of personal ideas through the medium of fine art photography.

ARTS 3305. Painting I. 3 Hours.
An introduction to the materials, techniques and concepts of oil painting. Emphasis is placed on painting from observation, the depiction light and shadow, and basic color theory. Process based painting and concept based abstraction are explored. Students will learn to recognize and use the tools and materials and nomenclature related to oil painting including supports and grounds, mediums, binders and brushes. The role of Painting in art history and in contemporary art will be examined.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316.

ARTS 3307. Performance and Video Art. 3 Hours.
Students will explore performance and video art both in practice and theory including live performance, performance and video, live presence/virtual spaces, performance for the camera, site specific performance, and collaborative performance.
Prerequisite: ARTS 1313, ARTS 1314, and ARTS 1315.

ARTS 3310. Printmaking. 3 Hours.
An introduction to the techniques and procedures of printmaking. The emphasis is on relief, monoprint, and intaglio methods.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316 and ARTS 2313.

ARTS 3315. Collage. 3 Hours.
A class which follows the precepts of the twentieth century art form of using and exploring the juxtaposition and layering of a variety of materials and images. The dynamics of composition and a further investigation of the use of color and inherent capabilities of contrasting images and textures will be studied. Students will use a variety of materials including the found object, discarded papers, invented textures and painted surfaces to create their imagery.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316, ARTS 2313 and ARTS 3318.

ARTS 3317. Life Drawing II. 3 Hours.
This course explores the use of the figure as subject matter in art. Observational skills are practiced and refined and personal expression is emphasized. A variety of media are explored. The use of the figure in contemporary art is studied.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2317.

ARTS 3318. Sculpture I. 3 Hours.
Students will explore a variety of processes and materials as ways of learning the vocabulary of three-dimensional art. Students will incorporate wood, metal, and found objects into art as ways of expanding their visual vocabulary. Group critiques will help the student learn contemporary approaches to art making, to improve their sculptural skills and to develop personal artistic vision.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315.

ARTS 3320. Ceramics I. 3 Hours.
An introduction to clay, the potential it has as a material and an overview of the basic principles involved in the forming/processing of it. The basic forming techniques will explore all aspects of hand building (pinch, coil and slab construction), as well as an introduction to the wheel. Basic firing techniques and finishes will be discussed. The emphasis of the course will be rooted in sculpture.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315 and ARTS 1316.

ARTS 3322. Typography. 3 Hours.
This foundation course introduces an overview of history, principles, processes and terminology of typography. Type sensitivity is developed through a variety of means: classifying and identifying typefaces, designing typographic logotypes, as well as designing with type. The majority of work is created on the computer.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2323, ARTS 3323.

ARTS 3323. Graphic Design In Context. 3 Hours.
The techniques and processes of print media are explored. The use of color is emphasized. Students will be exposed to historical and aesthetic issues.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2323, ARTS 3322.
ARTS 3324. Corporate Identity Design. 3 Hours.
Publication design problems are presented as they relate to a specific corporation/product. Typical projects include corporate identity systems and ad campaigns. Production methods are individually explored to produce presentation quality mockups.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 3323.

ARTS 3326. Graphic Design Production. 3 Hours.
This advanced course focuses on graphic design production techniques and the application of contemporary tools and processes employed by visual designers. This course emphasizes the mastery of a digital workflow, concluding with the physical output.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316, ARTS 2313, ARTS 2322, ARTS 3323.

ARTS 3330. Methods in Art Education. 3 Hours.
This class is designed to give the art education major the tools necessary to be successful in the classroom. The primary focus will be the development of a teaching philosophy and curricula relevant to the all level teaching certification. Topics covered include developing a teaching philosophy, preparing and presenting lesson plans, techniques in various art mediums that are applicable to the classroom, and strategies for assessments and critiques. Class discussions and readings on current art education topics are also required.
Prerequisite: ARTS 3385, CISE 3384.

ARTS 3335. Packaging Design. 3 Hours.
This course will explore graphic communication and techniques for packaging structure and three dimensional-design issues. Experimentation with diverse materials and forms, typography, color, and images will be developed for the targeted audience based on depth of research and design brief. In addition, packaging sustainability will be addressed.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, and ARTS 3322 with a grade of C or better.

ARTS 3343. Intro To 3D Computer Animation. 3 Hours.
Basics of 3D Animation including 3D modeling techniques, key-framing and graph editing, shading, lighting and rendering.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1316, and ARTS 2313.

ARTS 3344. Advanced 3D Computer Animation. 3 Hours.
This course is designed for students who are experienced with basic 3D animation concepts and technical practice. The course introduces more sophisticated concepts and techniques and emphasizes animation development through hands-on practice. The course will focus on animation concepts, creative animation design, and expanding students' knowledge of topics, tools, and techniques.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 3343 with a grade of C or better.

ARTS 3353. Motion Graphics. 3 Hours.
A study of the use of type in motion to create animated graphic designs, logos, titles, and animated concrete poetry.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2313 and ARTS 2343 or ARTS 3317 (concurrent enrollment allowed) with a grade of C or better.

ARTS 3354. Experimental Animation. 3 Hours.
This course is an exploration of alternative techniques in the creation of animation to include cutout animation, pixilation, lo-fi animation, as well as other emerging processes. Coursework will also focus on experimental approaches to story and content generation. Readings and discussions will focus on technical, aesthetic, and theoretical issues relating to these disciplines.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1317, ARTS 2313 and ARTS 2343.

ARTS 3356. Visual Effects and Animation. 3 Hours.
In this course students explore visual effects for animation and digital film making. Students concentrate on the creative pipeline for the development of visual effects and the procedures for planning, creating and applying such effects. Specific topics will include masking, particle systems, motion tracking, chroma key and other related techniques. Students will explore the use of visual effects for narrative and experimental contexts. Readings and discussions will focus on technical, aesthetic, and theoretical issues relating to this discipline.
Prerequisite: ARTS 2343.

ARTS 3360. The Photographic Digital Print. 3 Hours.
This course will provide an investigation of traditional and alternative digital photographic printing and mixed media processes. Students will complete a portfolio of original photographic work demonstrating personal creative and conceptual development.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2365, ARTS 2370, ARTS 2375.

ARTS 3362. Environmental Portraiture. 3 Hours.
Blending portraiture and context, the environmental portrait illuminates the character and personality of its subject. Learning to photograph people in their natural surroundings thus capturing insight into their lives is the goal of this course. Students will complete a portfolio of original photographic work focusing on the topic of environmental portraiture.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2365, ARTS 2370, ARTS 2375.

ARTS 3364. Photography Seminar. 3 Hours.
A different topic is presented each semester. May be repeated for credit.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2365, ARTS 2370, ARTS 2375.
ARTS 3365. Film Appreciation. 3 Hours.

ARTS 3368. Studio Practices I. 3 Hours.
Students learn the fundamentals of working with light both in the studio and on location. They are introduced to the use and control of existing light as well as high-powered electronic flash in the realm of digital photography.
Prerequisite: ARTS 1313, 1314, 1315, 2365, 2370, and 2375 with a grade of C or better.

ARTS 3370. Digital Photography II. 3 Hours.
This course will engage students in an advanced study of the tools, techniques, and applications of digital photography in the desktop computing environment. Emphasis is placed on non-destructive manipulation of images and digital workflow techniques.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 1365, ARTS 2370 and ARTS 2375.

ARTS 3373. Digital Imaging. 3 Hours.
This course involves the exploration of advanced computer imaging techniques in support of individual student interests. Advanced capture, manipulation, and printing procedures are explored and applied in developing digital portfolios. Credit 3 or 6.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2370.

ARTS 3374. Alternative Photo Processes. 3 Hours.
In this course students are introduced to a variety of non-standard photographic processes.
Prerequisite: ARTS 1313, ARTS 1314, ARTS 1315, ARTS 2365, ARTS 2370, ARTS 2375 with a grade of C or better.

ARTS 3375. Web Site Development. 3 Hours.
This course introduces students to the process of designing and creating web sites for the World Wide Web. Beginning with an understanding of the Internet and HTML, the basic language of the web, students move on to work with authoring tools used in building and maintaining websites. The course concludes with a discussion of challenges facing web designers and the future of this powerful communication tool.
Prerequisite: ARTS 2370.

ARTS 3382. The History Of Animation. 3 Hours.
A survey of the History of Animation from early cartoons through contemporary special effects and 3D characters. The political, artistic and social uses of animation are examined.
Prerequisite: ARTS 2386 OR ARTS 3385.

ARTS 3383. Design History. 3 Hours.
Design History provides an in-depth study of styles, schools, philosophies, and parallel fields of design from the Industrial Revolution to current day. Emphasis will be on the development of the profession of graphic design and its relationship to commerce and technology.
Prerequisite: ARTS 2386 or ARTS 3385.

ARTS 3385. Art History Survey II. 3 Hours.
This course provides a chronological survey of the major monuments of painting, sculpture, architecture, textiles, and metalwork from the medieval period to the present.

ARTS 3386. Ancient Greek and Roman Art. 3 Hours.
Students in this course examine the art and architecture of the ancient Greek and Roman empires. Studies will also include earlier civilizations such as the Minoans and Mycenaeans through the dissolution of the Roman Empire and the early medieval period. Students consider various art forms such as ancient coins, bronze and marble sculpture, Roman wall painting, and religious and civic architecture.
Prerequisite: ARTS 1303, ARTS 3385.

ARTS 3387. Renaissance Art History. 3 Hours.
This course will survey the art and architecture of the Renaissance. Credit: 3.
Prerequisite: ARTS 3386.

ARTS 4019. Special Topic. 1-6 Hours.
An undergraduate seminar course concerning problems selected within an area of specialization. Variable Credit (1-3). (This course may be taken for Academic Distinction credit. See Academic Distinction Program in this catalog.)
Prerequisite: 6 hours of credit in the area of investigation, with permission of the instructor and department chair.

ARTS 4079. Independent Study. 1-3 Hours.
This course is provided to allow the student, under the supervision of a faculty member, to develop specialized skills, to conduct an investigation into an area of special interest. Regular meetings will be held with the faculty sponsor. The course will culminate in a portfolio of photographs and/or a scholarly written report. Departmental approval is required before student may enroll in this course. May be repeated or taken concurrently to a maximum of 6 hours. Variable credit (1-3).
Prerequisite: ARTS 2375 and ARTS 2370.

ARTS 4305. Advanced Painting. 3 Hours.
Exploration of traditional painting processes and concepts along with the introduction of non-traditional techniques and materials. Emphasis is placed on skill development and individual exploration of ideas.
