The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BA in Interior Design is designed to provide graduates with the following marketable skills:

- Oral and written communication.
- Technical interior design knowledge.
- Manual and digital drawing.
- Critical thinking and problem solving.
- Application of evidence-based design.
