

MINOR IN AMERICAN STUDIES

The American Studies Minor explores aspects of the American experience locally, nationally, and within the global community from various perspectives and disciplines, including literature, history, political science, psychology, sociology, communication studies, and criminal justice. Minors will complete 18 semester credit hours of study.

Code	Title	Hours
Minor in American Studies		
Required Course		
AMST 3311	Introduction to American Studies	3
Prescribed Electives		
Five Elective Courses (See list below)		15
Total Hours		18

The elective courses will be drawn from three categories of concentration, and students will select two courses from any two of these categories and one course from a third category to constitute their fifteen elective hours.

1. Regional and Borderland Studies (studies of Texas, the Southwest, and border culture);
2. Ethnicity and Race in America (racial and ethnic minority experiences, history, and cultural expression); and
3. Gender in America (women's and masculinity studies).
