</table>

1. Satisfies the Core Curriculum requirement for Component Area III (Life and Physical Sciences) as well as the major.
2. MATH 1420 satisfies the Core Curriculum requirement for Component Area II (Mathematics) and one semester credit hour for Component Area IX (Component Area Option) as well as the major.

**Note:** This catalog degree plan is intended for students who will be completing the degree at University of Texas at Tyler (UT-Tyler). Students who enter this program complete partial semester credit hours (80) at Sam Houston State University and transfer to UT-Tyler to complete the remaining needed semester credit hours and to be awarded a degree in Civil Engineering.
