FASHION MERCHANDISING (FAMD)

FAMD 1332. Introduction to Fashion Merchandising. 3 Hours.
Students examine the history, characteristics, and global interrelationships of all segments of the fashion industry; and identify how fashion is conceived, marketed, and sold. Students learn and demonstrate knowledge of the evolving nature of the fashion business as they relate to the four levels of the fashion industry which include the Primary, Secondary, Retail, and Auxiliary Levels of Merchandising. Students are also introduced to fashion related terminology, resources, processes, practices, industry participants, and career opportunities.

FAMD 1369. Introduction to Textiles. 3 Hours.
This course provides an introduction to fiber science and technological advances in the manufacture of textile products. It focuses on the complex interrelationships of fibers, yarns, fabrics, finishes, and coloring processes. Offered spring semesters.

FAMD 2333. Fashion Merchandising Technology. 3 Hours.
Students explore fashion merchandising and design-related software and technologies used in the fashion and retailing industries. Students are introduced to the computer as a creative tool to upgrade and maintain their skills with the current industry standards. The latest software is taught with an emphasis on fashion industry applications.
Prerequisite: FAMD 1332.

FAMD 2366. Fashion in Society. 3 Hours.
Basic fashion theory is studied along with theories of dress and adornment from both psychological and sociological perspectives. The course also examines the individual’s attitudes toward and perceptions of personal dress and the appearance of others. Offered fall semesters.

FAMD 2375. Fashion Promotion. 3 Hours.
Promotion principles are applied to the merchandising of fashion goods through special events, displays of merchandise, and advertising and personal selling. Offered spring semesters.
Prerequisite: FAMD 1332.

FAMD 3325. Digital Fashion Retailing. 3 Hours.
Students employ the principles of omni-channel retailing through the development and management of layered, digitally connected, and coordinated shopping experiences. Settings include retail channels such as brick and mortar, catalog, e-commerce, and mobile with a focus on the customer experience. Students also identify effective interactive marketing strategies, including social media and search engine optimization as they design integrated marketing strategies across various digital platforms. Offered in summer only.
Prerequisite: FAMD 1332 and FAMD 2333.

FAMD 3348. Buying II: Planning & Allocation. 3 Hours.
Students examine and interpret the influence of merchandise planning and allocation on retail profit and analyze buying patterns and trends. Students develop merchandise plans and strategies for appropriate allocation of inventory. The roles and responsibilities of fashion merchandising buyers, planners, and allocators are explored.
Prerequisite: FAMD 2333 and FAMD 3348.
FAMD 4359. Fashion Innovation and Creativity. 3 Hours.
Students use design-based thinking to engage with the unique challenges of product innovation and processes. Students work in cross-functional teams to develop creative innovation strategies applied to the fashion system framework to impact and drive positive change.
Prerequisite: FAMD 1332, Junior Standing.

FAMD 4367. Smn Cloth Textiles & Mdseing. 3 Hours.
This course consists of inquiry in special areas of the fashion industry: marketing, production, consumption, socioeconomic and behavioral aspects of consumers. This course also will explore the link between the fashion industry and the physical and mental well-being of producers and consumers of fashion goods. Offered fall semesters.
Prerequisite: FAMD 2366, FAMD 3325.
