

GRADUATE CERTIFICATE IN PLAY THERAPY

Sam Houston State University's (SHSU) Graduate Certificate in Play Therapy (offered by the Department of Counselor Education housed within the College of Education) provides specialized academic training in therapeutic play modalities for master's level, degree-seeking students as well as post-master's practitioners seeking professional training. Students of the certificate will be impressed with our state-of-the-art training facilities. Our main campus is outfitted with 2- play rooms, 3-sandtray rooms, as well as videotaping capabilities. Facilities at the Woodlands Center, Community Counseling Clinic, contains a playroom, several portable sand tray carts as well as portable art carts. Additionally, this facility has digital taping capabilities. There are currently four Registered Play Therapists on faculty.

The 12-semester credit hour Graduate Certificate in Play Therapy is designed for students training in clinical mental health and school counseling and related fields (i.e., psychology, social work, and marriage and family) as well as for post-master's professionals in counseling and related fields who want to specialize and/or work towards their professional registration through the national organization (Association for Play Therapy, APT). Students should view the total RPT application from APT to understand the full requirements and keep updated on changes (i.e., academic, PT specific training, license, supervision, clinical experiences). The Play Therapy Training Institute at SHSU is an Approved Provider by APT; however, APT alone holds the right to accept or deny any continuing education training at its discretion has the final approval of their applications. SHSU is an APT Approved Provider #07211.

This Graduate Certificate is eligible to receive Title IV funding – Direct Unsubsidized Loans and Graduate PLUS loans by request. To be considered for aid, students need to submit a Free Application for Federal Student Aid (FAFSA).

This certificate does not equate to an official Play Therapy certification. Students wishing to become certified Play Therapists must complete all requirements and application through the Association of Play Therapy.

Additional information: Reference the Program Landing Page (<https://www.shsu.edu/programs/certificate/play-therapy/>) for additional information, such as cost, delivery format, contact information, or to schedule a visit.

Applicants seeking admission to work on their Graduate Certificate in Play Therapy must submit the following directly to the Office of Graduate Admissions:

1. Graduate Application (<http://www.shsu.edu/admissions/apply-texas.html>)
2. Application fee (<http://www.shsu.edu/dept/graduate-studies/application-fee.html>)
3. Official transcript from current program

This certificate does not equate to an official Play Therapy certification. Students wishing to become certified Play Therapists must complete all requirements and application through the Association of Play Therapy.

For information regarding coursework for the Graduate Certificate in Play Therapy, please, contact the Play Therapy Coordinator Dr. Evelyne Fitzgerald (kem031@SHSU.EDU) in the Department of Counselor Education: 936-294-4148.

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's 60x30 plan and was designed to help students articulate their skills to employers. Marketable skills are those valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The Play Therapy Certificate is designed to provide graduates with the following marketable skills:

- Advanced skill and intervention training when providing counseling services to children
- Advanced knowledge of challenges encountered by children

2 Graduate Certificate in Play Therapy

- Evidence-based counseling services to children
- Foundational education for specialized training toward Register Play Therapist designation managed by Association for Play Therapy
