

TRANSFER ARTICULATION: BUSINESS

The College of Business Administration (<http://catalog.shsu.edu/archives/2023-2024/transfer-articulation/business/undergraduate/colleges-academic-departments/business-administration/>) (COBA) offers a comprehensive range of academic majors, a strong curriculum, excellent teaching, and special programs that give our students the real-world perspective they need to meet the challenges of today's business environment. We have worked hard to cultivate a program that encourages innovation, embraces change, and embodies our deep commitment to providing a personal educational experience for every one of our students. For more information, please feel free to contact us directly.

COBA offers 12 majors for the Bachelor of Business Administration (BBA) degree. The first two years of study are comprised of coursework from the following areas: (1) the common core; (2) lower-level degree-specific requirements; and (3) lower-level business core courses. The BBA degree requires a minimum of 120 hours with at least 42 advanced hours (3000- and 4000-level courses). Additional hours are sometimes added with double majors and/or minors. However, the BBA does not require a minor. Prior to enrolling in core classes, students are encouraged to review specific degree requirements for their major.

For those pursuing the Field of Study (FOS) at their community college, please note that an Introduction to Business Course is included in that program and could transfer in as BUAD 1301, an elective in all 12 business majors.

The Core Curriculum (<http://catalog.shsu.edu/archives/2023-2024/undergraduate/academic-policies-procedures/degree-requirements-academic-guidelines/core-curriculum/>) at Sam Houston State University (to be used by all incoming students as of fall 2014) contains 42 semester credit hours, encompassing nine component areas. Each component area has a minimum credit hour requirement and a selection of specific courses that may be used to satisfy the requirement. The Core Curriculum (<http://catalog.shsu.edu/archives/2023-2024/undergraduate/academic-policies-procedures/degree-requirements-academic-guidelines/core-curriculum/>) details Sam Houston State University courses and their Texas Common Course Number (TCCN) equivalents for college transfer students which comprise SHSU's core curriculum.

Many SHSU disciplines including the sciences, business, and education require specific courses from the SHSU core as degree specific graduation requirements. To minimize cost and time to complete degree requirements always select SHSU/transfer core courses specified as degree requirements in your intended major. If you have not decided on a major, select core courses supporting your intended area of academic concentration.

Prior to enrolling in core classes, students are encouraged to review specific degree requirements for their major. Selection of major-specified core courses reduces the total number of hours required for graduation.

If you do not see a Texas Common Course Number (TCCN) mapping a specific core course to your transfer institution, please go to Transfer Course Equivalency Guide (<https://ww2.shsu.edu/regr27wp/>) and select your institution from the drop-down menu. The result will list all currently mapped transfer courses from your institution to SHSU courses.
