The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BFA in Graphic Design is designed to provide graduates with the following marketable skills:

- Digital technology.
- · Creative and critical thinking and problem solving.
- · Teamwork and collaboration.
- Oral, written, and visual communications.
- · Global and intercultural fluency.
