## Notes

Students must earn a 2.0 minimum overall GPA in all coursework.

Students must meet a 2.0 minimum overall major GPA in all major coursework.

Students must earn a 2.0 minimum SHSU GPA in all coursework.

Students must meet a 2.0 minimum SHSU major GPA in all major coursework.

This program requires a minimum of 1,200 hours of clinical training across practicum and internship. These experiences occur in collaboration with third-party clinical sites and facilities. These sites are legally free to set their own onboarding requirements, which may include, but are not limited to, drug/substance screenings, background checks, and/or health and safety measures, such as evidence of various immunizations. These onboarding activities may incur fees, which are the responsibility of the student and are not reimbursable by the university. Clinical partners and internship sites have the final word as to whether to accept or deny individual practicum or internship students.

SHSU cannot give any assurances or guarantees that we can provide you a path through your necessary clinical assignments, including practicum and internship, that avoids all non-University settings that may mandate various onboarding requirements. If students are unable to be cleared on any of these requirements, they may not be eligible to continue in the program.

Students earning a grade below "C" in any music course required for his/her degree or minor in music are required to retake the course. After three failed attempts to earn a C or better, the student may be removed from the program.

Students should use elective courses and/or a minor (if applicable) to complete the 42 advanced hour requirement for graduation.

Music Therapy students must pass all Professional Disposition and Clinical Musicianship Readiness Evaluations prior to beginning each course in the practicum sequence. Students may attempt each evaluation up to 3 times.

Completion of six semesters of Concert Attendance is required for graduation. See student handbook and/or contact the School of Music for details.

Writing Enhanced Courses. All undergraduate students are required to complete at least six hours of writing enhanced courses within the discipline, of which three hours must be advanced.

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BM in Music Therapy (MUST) is designed to provide graduates with the following marketable skills:

- Develop professional-level competence in clinical music therapy as articulated by the American Music Therapy Association.
- Acquire professional and clinical skills applicable to fulfilling supportive staff roles in a variety of healthcare, educational, psychiatric, community, and rehabilitative settings.
- Develop extensive intraprofessional collaboration, decision-making, and problem-solving skills.
- Gain skills in reading and applying research findings to enhance professional interactions with clients.
