The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BS in Political Science is designed to provide graduates with the following marketable skills:

- Analytical, writing, speaking, interpersonal, and professional skills.
- Work as effective members of a team.
- Utilize technology to solve problems and accomplish goals.
- Prepare students for professional careers in the 21st century.
- Prepare students to make meaningful contributions to local, state, national, and global communities.
