The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BFA in Studio Art 2D Track is designed to provide graduates with the following marketable skills:

- Creative and critical thinking and problem solving.
- Oral, written, and visual communications.
- Teamwork and collaboration.
- Global and intercultural fluency.
- Digital technology.
