The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BBA in Entrepreneurship is designed to provide graduates with the following marketable skills:

- Ability to assess and provide evidence that business ideas are viable, desirable, and feasible to gain buy-in from investors and stakeholders.
- Apply entrepreneurial methods and tools to assess and refine new business ideas.
- Design value propositions and business models that support growth.
- Effectively and confidently communicate and pitch business ideas.
