The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BBA in General Business Administration is designed to provide graduates with the following marketable skills:

- Understand risk analysis, identification, and management of business risk.
- Ability to evaluate how people deal with money, time, and resources. Graduates will be able to use money, time, and resources effectively.
- Ability to apply key financial accounting items and construct, in good form, a balance sheet, income statement, and cash flow statement.
- Ability to apply financial ratios, analysis, and financial indicators to provide information useful to managers.

- Effectively design and present a business presentation adapting the presentation to the appropriate audience.
- Understand how the law affects business development, creation, decisions, and operations.
