Students must maintain a 2.75 GPA or greater overall or in the last 60 semester hours to earn teacher certification. This includes transfer and SHSU courses.

Student Teaching Block is considered a FULL LOAD at SHSU. Please check prerequisites for Field Experience I, Field Experience II, Field Experience III and Student Teaching.

Field Experience in public schools is required for many CIEE, CIME, ECHE, READ, SPED, and TESL classes.

Full admission to the Educator Preparation program is required prior to enrollment in Field Experience I, Field Experience II, Field Experience III, and Student Teaching.

Year-Long Residency Option:

Candidates have the opportunity to select the Year-Long Residency option in lieu of traditional student teaching. In this program, teacher candidates are immersed in the culture of one campus for an entire academic year, rather than the one semester of traditional student teaching. This extended clinical experience provides an in-depth bridge between theory and practice in a supportive environment. For more information contact the School of Teaching and Learning (<https://www.shsu.edu/academics/school-of-teaching-and-learning/>).

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BS, Major in Education, EC-6 Special Education Core is designed to provide graduates with the following marketable skills:

- Prepared to teach all content areas necessary for EC-6 certification.
- Prepared to implement evidence-based methods of teaching and learning.
- Fully qualified to teach in Texas public schools.
- Prepared to teach in high-need field of special education, grades K-12.
