

MINOR IN SOCIOLOGY

A Minor in Sociology is an excellent complement for students intending careers in health-related fields, the non-profit sector, government, higher education, human resource management, social services, and business. The Minor in Sociology provides students with instruction in core sociological concepts and methods. In addition, the minor equips students with conceptual and methodological skills as well as sociological knowledge in areas of their choosing. The Minor in Sociology requires a total of 18 hours in Sociology and should be distributed as follows:
