The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The MEd in Teaching and Learning is designed to provide graduates with the following marketable skills:

- Prepared to teach all content areas necessary for certification area
- Prepared to implement evidence-based methods of teaching and learning
- Fully qualified to teach in Texas Public schools
