

# UNDERGRADUATE DEGREE REQUIREMENTS

---

- Undergraduate Degree Requirements (p. )
- University Academic Policy Manual and Student Guidelines (p. 2)

## Undergraduate Degree Requirements (General) Bachelor's Degrees

All bachelor's degrees contain the following MINIMUM requirements:

**Total Hours.** A minimum of 120 hours total (developmental courses not included) is required of each bachelor's degree. Some bachelor's degree programs may require additional hours above the 120 minimum.

**Advanced Hours.** (3000-4000 level courses) 42 semester hours of advanced work must be completed for a bachelor's degree. Courses taken from a community college do not transfer for advanced credit.

**Minimum Residence** - All college level courses completed at SHSU are considered "in residence" including when taken at SHSU - The Woodlands Center, as an online course, or at any pre-approved off-campus sites (example: Student Teaching courses completed at a pre-approved school district).

Note: Courses previously completed through correspondence are NOT considered "in residence" hours. Developmental courses are NOT considered college level hours for the completion of the degree.

**Required hours completed "in residence" for a bachelor's degree:**

- At least 25% of the semester credit hours (SCH) required by the degree must be taken SHSU (example: 30 semester credit hours for a 120 credit hour program). Of the 25% residency hours required, 24 SCH hours must be advanced (3000 or 4000 level)
- 12 semester credit hours (SCH) of advanced (3000 or 4000 level) coursework within each major field of study
- 6 semester credit hours (SCH) of advanced (3000 or 4000 level) coursework within each minor field of study (if applicable)

### Grade Point Average (GPA) - Degree Requirements

A minimum 2.00 GPA is required in the following:

- SHSU GPA
- Overall GPA (SHSU coursework and transfer coursework. This is considered the cumulative grade point average.)
- SHSU Major GPA (some programs may require a higher GPA)
- Overall Major GPA (SHSU coursework and transfer coursework)
- SHSU Minor GPA (some minors may require a higher GPA)
- Overall Minor GPA (SHSU coursework and transfer coursework)

### Academic Credit and Institutional GPA

- Academic credit for additional major or minor coursework shall be applicable to SHSU GPA in order to achieve minimum required grade point averages for graduation purposes. Academic credit for additional major and minor coursework beyond course requirements as noted on a student's degree plan may be used for SHSU GPA purposes and does not increase the total required hours for the degree program.

### Degree Works/Degree Plan

The specific degree course requirements will be listed in the student's degree plan. A degree plan outlines academic requirements for successful completion of a specific degree. Students are encouraged to use the Student Advising & Mentoring (SAM Center) (<https://www.shsu.edu/centers/sam-center/>) for advice on degree plans. Students may view their degree plan via My Sam (<https://mysam.shsu.edu>) using DegreeWorks located under the Student Tab.

The Notes section in Degree Works contains important information from academic advisors, the Registrar's Office, and academic departmental staff, including academic deans. Students should review the Notes section in Degree Works regularly.

The university provides advisors through the Student Advising & Mentoring Center (Sam Center) (<https://www.shsu.edu/centers/sam-center/>) to assist students with registration and ensure appropriate progress toward completing degree requirements. However, the student is responsible for ensuring all degree requirements are fulfilled.

Students are placed under a degree and major based on the selection at the time of application to SHSU. Through an advisement session at the Student Advising & Mentoring (Sam Center) (<https://www.shsu.edu/centers/sam-center/>), a student has the option to change their degree, major, minor, or add an approved concentration. In addition, a later catalog may be selected, provided the requirements are met no later than six years from

the effective date of the selected catalog. Students are responsible for knowledge of the detailed requirements of the degree plan, including any special requirements of the major and/or minor department. Some academic departments may require approval for a change of major.

Visit the Student Advising & Mentoring ( <https://www.shsu.edu/centers/sam-center/>) Sam Center ( <https://www.shsu.edu/centers/sam-center/>) website for contact information to make an appointment with an academic advisor.

### **Second Degree**

Any student with a completed baccalaureate degree from SHSU or any other regionally accredited institution may earn a second baccalaureate degree differing in basic academic subject area and concentration from the first degree earned by completing the following requirements:

- With academic chair and dean approval, a student may be permitted to pursue a second degree with a major in the same discipline as a previously awarded minor
- A minimum of an additional 30 semester credit hours in residence above the total hours required for the first degree, of which 24 must be advanced hours
- Any additional requirements of the department and college approving the respective degree plan
- Any additional SHSU requirements associated with the second degree sought
- Completing two majors under the same baccalaureate program in the same term does not constitute a second degree

## **University Academic Policy Manual and Student Guidelines**

SHSU's Academic Policy Manual (<https://www.shsu.edu/institutional-transparency/university-policies/>) and Student Complaints and Grievance Procedures ([https://www.shsu.edu/institutional-transparency/policy/academic-affairs/900823%20-%20Academic%20Grievance%20Procedures%20for%20Students/900823-academic-grievance-procedures-for-students\\_22.pdf](https://www.shsu.edu/institutional-transparency/policy/academic-affairs/900823%20-%20Academic%20Grievance%20Procedures%20for%20Students/900823-academic-grievance-procedures-for-students_22.pdf)) provide specific information about the university's educational procedures and student conduct. Copies of these publications may be viewed at the Reference Desk in the Newton Gresham Library (<https://library.shsu.edu/>) or online.
