Year-Long Clinical Teaching Option:

Candidates have the opportunity to select the Year-Long Clinical Teaching option in lieu of traditional student teaching. In this program, teacher candidates are immersed in the culture of one campus for an entire academic year, rather than the one semester of traditional student teaching. This extended clinical experience provides an in-depth bridge between theory and practice in a supportive environment. For more information contact the School of Teaching and Learning (<https://www.shsu.edu/academics/school-of-teaching-and-learning/>).
