

SCHOLASTIC REQUIREMENTS

- Grades and Grade Points (p. 1)
- Determining Grade Point Average (GPA) (p. 2)
- Class Attendance (p. 3)
- Student Absences on Religious Holy Days (p. 3)
- Final Examinations (p. 3)

Grades and Grade Points

Sam Houston State University's grade system consists of five grades:

Grade	Description	Grade Points Per Semester Hours
A	Excellent	4
B	Above average	3
C	Average	2
D	Passing (not necessarily satisfying degree requirements)	1
F	Failure	0

Note: All of the above grades will be used in grade point average (GPA) calculations.

The following grades are assigned but are **not** used in the grade point average calculations:

X (Incomplete)

The X grade indicates the student has not been able to complete the course because of emergency circumstances beyond the student's control. See the Registrar's website (<https://www.shsu.edu/dept/registrar/faculty-and-staff/Registrar%20X%20to%20F%20Process.pdf>) for explanation of the X grade process.

The X grade is a temporary grade placeholder used under the following circumstance and with the following stipulations:

- Permission to award the grade of X is granted by the academic chair of the course discipline and with the recommendation of the instructor when emergency circumstances outside of the student's control prevented the student from being able to complete the assignments and exams for the class.
- It is expected the student will complete course assignments and any remaining exams without further instruction or tutoring from the course instructor.
- A grade change must be submitted to the Registrar's Office by the grade entry deadline of the next long term, or the grade of X will automatically change to a grade of F. Only the instructor of the course may initiate the grade change. (Grade Change Forms are submitted online.)
- A grade of X will not remain on the student record indefinitely or beyond the next long term.
- Academic standing will be re-calculated with the submitted grade change or with assigned F grade. This may result in Academic Probation or Suspension and the loss of future term course registration.

MG (Missing Grade)

The MG grade indicates the no final grade was reported by the instructor at the end of a term. Students should pursue the posting of the grade with their instructor. The MG grade is a temporary placeholder with the following stipulations:

- A grade change must be submitted to the Registrar's Office by the grade entry deadline of the upcoming fall or spring term (whichever applies). Only the instructor of the course may initiate the grade change. (Grade Change Forms are submitted online.)
- A grade of MG will not remain on the student record indefinitely or beyond the next long term.
- Academic standing will be re-calculated with the submitted grade change and may result in Academic Probation or Suspension and the loss of future term course registration.

IP (In Progress)

Assigned to thesis and other selected courses designed to require additional time to complete course requirements. Refer to the Registrar's website (<https://www.shsu.edu/dept/registrar/faculty-and-staff/Registrar%20X%20to%20F%20Process.pdf>) for explanation of the IP grade process.

CR (Credit)

Designates that academic credit was earned for the course. Hours earned with the grade of CR are counted in determining classification but are not used to calculate GPA.

NC (Non-Credit)

Designates that academic credit was not earned for the course and is not used to calculate GPA.

Q (Q-drop)

The grade of Q is assigned to courses dropped from the 13th class day for a fall, spring, or summer full term, through the Q-drop deadline as indicated on the Academic Calendar (<https://www.shsu.edu/dept/registrar/calendars/academic-calendar.html>), but before any final exams being taken or course completion. Courses with the grade of Q will not be included in the calculation of term or overall GPAs. Parts of terms within a term (such as 7 1/2 week or 5 week courses) use a different class census date unique to that part of term to determine when a Q grade will be assigned.

Undergraduate students are allowed no more than 6 Q-drops during their combined career at all Texas public colleges and universities. Any Q-drops accumulated prior to Fall 2007 (<https://capitol.texas.gov/tlodocs/80R/billtext/html/SB01231F.HTM>) will not be included in the calculation. Students are encouraged to visit their academic advisor and financial aid counselor before dropping a course.

Courses with the grade of Q are considered hours attempted when calculating excessive hours (<https://www.shsu.edu/dept/registrar/students/registration/excessive-hours-or-taken-more-than-twice.html>) (<https://www.shsu.edu/dept/registrar/students/registration/excessive-hours-or-taken-more-than-twice.html>) as mandated by the state and when calculating excessive hours for the purpose of tuition rebate (<https://www.shsu.edu/dept/registrar/graduation/apply-to-graduate/tuition-rebate.html>) (<https://www.shsu.edu/dept/registrar/graduation/apply-to-graduate/tuition-rebate.html>) at the point of graduation.

W (Resigned)

Students who resign after the 12th class day of a fall, spring, and summer full terms receive a grade of W (Resigned) for each course for which they were enrolled. If a student has received a grade in any course in a part of term, within the full term, they are ineligible to resign. An example would be a student who completes a course in the Summer I session would not be eligible to resign from the Summer II session. Although a student may be ineligible to resign, they may have the option to drop the course within the designated deadline.

Courses with the grade of W are considered hours attempted when calculating excessive hours (<https://www.shsu.edu/dept/registrar/students/registration/excessive-hours-or-taken-more-than-twice.html>) as mandated by the state and when calculating excessive hours for the purpose of T (<https://www.shsu.edu/dept/registrar/graduation/apply-to-graduate/tuition-rebate.html>)uition Rebate (<https://www.shsu.edu/dept/registrar/graduation/apply-to-graduate/tuition-rebate.html>) at the point of graduation.

*** (Developmental Course Designation)**

Any grade with an asterisk (*) symbol indicates a developmental course.

Note: Class days are university class days (Monday through Friday), not the number of days an individual class meets. Class days are to be counted from the first class meeting of on-campus daytime courses as indicated in the Academic Calendar (<https://www.shsu.edu/dept/registrar/calendars/academic-calendar.html>).

Determining Grade Point Average (GPA)

The grade point average (GPA) is calculated by dividing the **quality points earned** by the **total GPA hours attempted toward the degree**. The total GPA hours attempted toward the degree will not include developmental courses and courses assigned a CR (credit) or NC (non-credit) grade. The GPA is carried out two decimals (2.00) and is not rounded. Courses receiving the grades of IP, X or MG are not used in the hours calculating the GPA until a grade change form has been processed replacing grades of IP, X, or MG. The change of X or MG grade to A, B, C, D, or F will affect the term academic standing which will be reviewed with the grade change process. Developmental courses are currently assigned the grades of CR*/NC* and do not apply to the calculated grade point average or as credits toward degree completion. Historic developmental courses were assigned grades of A*, B*, C*, D*, F* and were not used in the calculation of GPA or as credits toward degree completion.

Quality points earned are determined by multiplying the number of hours assigned to the course by the number assigned to the grade for that course.

For example, the number of quality points for a three-hour course for which a B is earned is nine, i.e. $3 \times 3 = 9$. See an academic advisor (<https://www.shsu.edu/centers/sam-center/>) for questions about calculating GPAs.

Quality points are computed for a given term on the basis of term hours attempted. A course attempted, for GPA purposes, is defined as one in which the student receives a grade of A, B, C, D, or F, excluding developmental courses.

Courses marked with "E" on a students transcript indicates "exclude" and are not calculated into the grade point average.

Please see the Student Complaints and Grievance Procedures (<https://www.shsu.edu/dept/academic-affairs/grievances.html>) if the student would like to dispute the grade assigned.

Repeating Courses Previously Attempted

Careful consideration should be given to the GPA when deciding to repeat a course.

- An “I” (include) is noted on the transcript record for the course with the highest grade which is calculated into the GPA.
- An “E” (exclude) is noted on the transcript record for the course with the lower grade earned which will not be calculated into the GPA.

A course repeated at a transfer institution where the highest grade is earned would require a recalculation of the GPA and total hours completed at SHSU and could affect degree requirements. See an academic advisor (<https://www.shsu.edu/centers/sam-center/>) to have your transcript record and degree plan reviewed.

Repeating a course previously passed (i.e., a course with any grade other than F or NC) more than once may result in the repeated course not being eligible for financial aid. A student may repeat a previously passed course that counts toward the degree only one time for the repeated course to be financial aid eligible. Second and subsequent repeats of previously passed courses may not be financial aid eligible and are subject to a financial aid review. Courses designated as repeatable for credit by the academic department will be financial aid eligible when the degree plan requirements call for multiple enrollments.

Repeated courses are considered hours attempted when calculating excessive hours (<https://www.shsu.edu/dept/registrar/students/registration/excessive-hours-or-taken-more-than-twice.html>) as mandated by the state and when calculating excessive hours for the purpose of Tuition Rebate (<https://www.shsu.edu/dept/registrar/graduation/apply-to-graduate/tuition-rebate.html>) at the point of graduation.

Class Attendance

1. Regular and punctual class attendance is expected of each student at SHSU.
2. Each faculty member shall inform students of their course attendance policy at the initial class meeting and include this information in the course syllabus.
3. Students are expected to meet the faculty member's attendance requirements for the course.
4. Each faculty member is expected to monitor course enrollment and class attendance.
5. A student's failure to meet the course attendance requirements may lower their grade(s), including the final course grade.
6. Each faculty member shall inform students of their policies for accepting late work or providing makeup examinations and include this information in the course syllabus.
7. Students are expected to show appropriate cause for missing or delaying major assignments or examinations.
8. Making up missed work for an absence may be allowed or declined at the discretion of the faculty member.

Student Absences on Religious Holy Days

Section 51.911(b) of the Texas Education Code ([https://texreg.sos.state.tx.us/public/readtac\\$ext.TacPage/?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&pg=1&p_tac=&ti=19&pt=1&ch=4&rl=4](https://texreg.sos.state.tx.us/public/readtac$ext.TacPage/?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&pg=1&p_tac=&ti=19&pt=1&ch=4&rl=4)) requires that an institution of higher education excuse a student from attending classes or other required activities, including examinations, for the observance of a religious holy day, including travel for that purpose. A student who is excused under this subsection may not be penalized for that absence and shall be allowed to take an examination or complete an assignment from which the student is excused within a reasonable time after the absence.

Final Examinations

Final examinations are not given before the designated time in the official final examination schedule (<https://www.shsu.edu/dept/registrar/calendars/final-exam-schedules.html>). A student is not permitted to take a final examination before all other work for the course is completed. The final exam schedule may be located on the Registrar's website (<https://www.shsu.edu/dept/registrar/calendars/final-exam-schedules.html>). If a student has completed a final exam, they are ineligible to resign from the term.
