Vision Statement

The College of Business Administration will be among the top-ranked colleges of business for upward social mobility, a preferred destination school for first-generation students, and be recognized for having the highest level of student and community impact in the region.

Mission Statement

The College of Business Administration inspires change through active engagement and student-focused learning to develop empowered and impactful business professionals.

Our educational intent is to be deliberate and innovative in recruiting and retaining students, adding meaningful value to our students’ lives, and fostering upward social mobility via gainful employment with lucrative career prospects that have a positive generational impact by:

• Actively supporting the career readiness of students to empower them to have successful professional careers.
• Recruiting and retaining faculty that are committed to student engagement and success.
• Offering a relevant, rigorous, and innovative curriculum with high-impact and community-engagement learning opportunities in an inclusive and nurturing environment.

Our research intent is to support and elevate intellectual growth, engagement, and innovations in faculty research by:

• Supporting highly productive faculty members in their professional and scholarly growth.
• Producing thought leadership that has a positive societal impact by addressing the most critical problems facing businesses and the communities they serve.

Our service intent is to promote community engagement by:

• Allocating resources to support the professional growth of faculty and staff members focused on community outreach and student success.
• Utilizing our collective strengths to create a new generation of business professionals who are empowered, adaptable, innovative, and committed to positively impacting the businesses and the communities they serve.

Core Values

Sense of Community and Belonging - Fostering a caring, inclusive, and supportive community.

Professional Excellence - Creating a culture of quality and leadership.

Accountability - Accepting responsibility for our actions.
Mutual Respect - Demonstrating respect and valuing individual perspectives, achievements, abilities, and qualities.

Honor and Integrity - Encouraging individuals to build strong relationships through honesty, trust, and dependability.

Highlights
The College of Business Administration is accredited by the Association to Advance Collegiate Schools of Business International (AACSB International) and has a nationally recognized chapter of Beta Gamma Sigma. In the United States only one in three business schools have earned this accreditation and worldwide approximately six percent of business programs/schools have earned this prestigious accreditation.

Sam Houston State University was accredited in 2005 as the 17th Professional Golfers' Association of America PGA Golf Management university in the country and the first in the state of Texas. The Professional Golfers’ Association of America PGA Golf Management program at Sam Houston State University is designed to produce members of the PGA of America. Successful completion of the four- and one-half-year program will reward the student with a Bachelor of Business Administration (BBA) degree in General Business Administration with a concentration in PGA Golf Management, resulting in Class “A” membership within the PGA of America.

The BBA degrees in accounting, banking and financial institutions, finance, general business administration, management, and marketing may be completed at The Woodlands Center (TWC) in The Woodlands, Texas. The BBA degree in general business administration is also available in a completely online format.

The College is a member of the SAP University Alliance and offers students the opportunity to earn an SAP Certificate of Completion.

The College is home to the Center for Innovation, Technology, and Entrepreneurship providing students with hands-on experience in 3D printing, RFID technology and robotics.

The College hosts the Texas Bankers Hall of Fame.

Each year the College of Business Administration conducts a career fair that offers students the opportunity to interact with over 50 employers from all types of business and not-for-profit organizations.

The College offers an Executive MBA in Banking and Financial Institutions. The EMBA program is a two-year cohort program involving both online and residence coursework.

Internships and Study Abroad

A student may earn a maximum of six hours in approved, supervised educational work experience in internships. Internship applications are available from the sponsoring academic department. In order to receive academic credit, a student must meet the eligibility conditions, obtain prior approval from the Department Chair of his/her major, and meet the guidelines established by the College of Business Administration for monitoring the quality of the learning experience.

Sam Houston State University offers the unique opportunity for students to earn college credit in other countries including China, Dubai, Germany, Japan, and Scotland. These classes are taught by COBA and other SHSU faculty members, and students have many opportunities to interact with the local community. Field trips to major businesses, museums, and archaeological sites are often included. A limited number of scholarships are available to partially cover the cost. Interested students may contact the Dean’s Office or the Office of International Programs for additional information.

Scholarships

Sam Houston State University offers academic scholarship opportunities for beginning freshmen who excel in areas of academic achievement and leadership. There are additional competitive scholarship opportunities for current SHSU and transfer undergraduate students. Students are encouraged to apply for scholarships using the Scholarship4Kats program at Financial Aid (http://www.shsu.edu/dept/financial-aid/). The Scholarship4Kats program is a single application that will allow the student to apply for most scholarships available on campus whether at the departmental, college, or university-level.

Numerous scholarships are available on a competitive basis for currently enrolled students in the College of Business Administration. Applications are typically accepted through Scholarship4Kats between October 1 and December 31 for incoming students and between January 2 and December 31 for returning students. Deadlines may change so students are encouraged to check the website for current information. Scholarship recipients are announced in April for the following academic year.
