The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's 60x30TX plan and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BA, Major in Educational Studies is designed to provide graduates with the following marketable skills:

- Analyze educational theory, research, and practice.
- Examine education policy and issues from multiple perspectives.
- Apply social-science methods and data analytic techniques for solving problems in education.
- Analyze educational issues from diverse perspectives.
